

WHAT TO EXPECT

MGE UNDERGROUND IN YOUR AREA

PG&E is partnering with MGE Underground to complete important wildfire safety work, including undergrounding power lines to reduce wildfire risk and improve system reliability.

As we complete this work, you may see PG&E trucks in your area, along with MGE Underground crews and trucks, such as the below:

Note, all crews and contractors conducting this work are happy to provide photo ID on request. Unmarked vehicles will also have the placard above to confirm they work with PG&E.
