**Re: Notice of Proposed Real Property Disposition – Jasper Sears Road,  
Gustine**

Dear Tribal Leader:

We are writing to notify you that Pacific Gas and Electric Company (PG&E) plans to sell real estate in Gustine. Located just south of 16182 Jasper Sears Road, the property consists of ±152 acres of partially flat, partially low hillside, vacant land. The enclosed Property Information Sheet provides additional factual background relating to the property. PG&E is disposing of the property because it is no longer useful or necessary for our operations. We are offering to sell this because it is Surplus Property.

A record search of the California Native American Heritage Commission's Sacred Lands File has identified the above-referenced property to be within your Tribe's ancestral territory. We are providing this notification consistent with the requirements of the California Public Utilities Commission's Land Disposition Policy adopted December 5, 2019, *Investor-Owned Utility Real Property-Land Disposition – First Right of Refusal for Disposition of Real Property Within the Ancestral Territories of California Native American Tribes*.<sup>1</sup> (the Tribal Land Policy). Under this Policy, the tribe is provided a right of first offer on the real property before PG&E may put the property on the market.

In accordance with the Tribal Land Policy, the tribe has thirty (30) days to respond to this notification as to its interest in acquiring the property by providing a written offer. PG&E supports the Commission's objective of ensuring tribal interests are appropriately considered in any sale of its property. For this reason, we are offering to consult with your Tribe regarding its interest in acquiring the property within the 30 days.

In addition, we appreciate any input, comments or information you would like to share regarding any cultural resources that may exist on the property. We will ensure your input is provided to the Commission as it reviews any future disposition of the property.
