

Lower your energy bills with the Small Business Opportunities Program

LIMITED
TIME OFFER

Save energy and money with **FREE** onsite audits and coaching

Reducing costs can help small businesses recover more quickly after the long-lasting impact of COVID-19. Receive an energy evaluation of your facility and unlock bill savings with the **Small Business Opportunities Program**. Our energy experts will do the work so you don't have to.

Program benefits

- **One-on-one energy coaching:** Energy experts will help you monitor your usage and provide energy management best practices. They will also give you advice on no- and low-cost equipment upgrades.
- **Easy access to key resources and tools:** Maximize savings by reviewing available incentive programs, electric rate plan options, and online account tools with help from your energy expert.
- **Regular progress reports:** Review your business' energy performance, usage trends and bill comparisons with your energy expert.

How does it work?

It's easy. Work with PG&E's contracted partner, Willdan and their energy experts, to receive customized solutions for your unique energy needs.
