Eman: Jeramy, I want to read you something. "These price hikes seem like PG&E is punishing me for profits they're missing out on from solar."

Our profits have nothing to do with solar or how much you use, BayBae.

They're set by the state.

If you use more, it doesn't mean we make more. Doesn't mean that.

Jeramy: Doesn't mean that. Does not mean that.

Eman: Does not mean that.
