

Regional Solar Choice Developer Marketing Attestation

Overview

In compliance with requirements by the California Public Utilities Commission, Developers seeking to participate in the Regional Solar Choice program must complete the Regional Solar Choice Developer Marketing Attestation. Developers participating in this program will be marketing directly to customers and therefore require a developer to attest that have full awareness and understanding of the program's marketing compliance obligations and that all of the developer's marketing materials will comply with program rules.

Developer and Project Information

Name of Authorized Agent:

Title:

Organization:

Name of Facility:

Facility Address:

Attestation

I attest that I have read, understand and will comply with the following for the duration of my participation in the Regional Solar Choice program:

[Green-E Energy Requirements for Developers Participating in the California Enhanced Community Renewables \(ECR\) Program](#)

[Community Choice Aggregation Code of Conduct Decision \(D.12-12-036\) – Attachment A](#)

PG&E Logo Guidelines and Requirements: Regional Solar Choice Third Party Marketing (if applicable)

I also attest that:

I will submit all marketing materials to PG&E for review and will receive PG&E's confirmation that all materials satisfy the marketing review criteria, including avoiding any false or misleading marketing or sales tactics, prior to using said materials to market to customers.
