Definitions

Generation Rate is the cost of creating electricity to power your home or business. The generation rate varies based on your energy provider and the resources included in your energy provider's generation supply.

PG&E Delivery Rate is a charge assessed by PG&E to deliver electricity to your home or business. The PG&E delivery rate depends on your electricity usage, but is charged equally to both King City Community Power and PG&E customers.

PG&E PCIA/FF represents the Power Charge Indifference Adjustment (PCIA) and the Franchise Fee surcharge (FF). The PCIA is a charge to recover PG&E's costs for generation resources that are currently above the market rate. These resources were committed to prior to a customer's switch to a third-party electric generation provider. PG&E acts as a collection agent for the Franchise Fee surcharge, which is levied by the California Public Utilities Commission on behalf of cities and counties in PG&E's service territory for all customers. The costs for resources included in the PCIA and FF surcharges are included in the generation rate for PG&E bundled service customers.

Where Do I Find My Electric Rate Schedule?

Need some help finding your electric rate? Go to the "Electric Delivery Charges" section of your energy statement - you'll find your electric rate in the upper left.

The image shows two screenshots of PG&E energy statements. The left screenshot is titled "ENERGY STATEMENT" and "Details of PG&E Electric Delivery Charges" for the period 04/24/2014 - 05/22/2014. It lists various charges including Tier 1 Usage, Generation Credit, Power Charge Indifference Adjustment, and Franchise Fee Surcharge, totaling \$17.42. The right screenshot is titled "ENERGY STATEMENT" and "Details of Sonoma Clean Power Electric Generation Charges" for the period 04/24/2014 - 05/23/2014. It shows a rate schedule of "Res-1 Residential Service" at \$0.07100 per kWh, resulting in a charge of \$3.00. An orange box highlights the "Rate Schedule" field in both screenshots, with a line pointing to the explanatory text at the bottom.
