

Solar Billing Plan

2026 Energy Export Credit (EEC) Values - 2026 Interconnection Application Year

Understanding Your Energy Export Credit Pricing

As a Solar Billing Plan customer, you will receive Energy Export Credits (EEC) for excess energy your solar system sends to the electric grid. The value¹ of your credits will vary by time of day, weekday or weekend and month.

The EEC values chart for the year you submitted your interconnection application shows how the compensation you will receive varies by time of day, month and Energy Produced² and Delivered.

2026 Weekday Values (\$) Per Kilowatt Hour																								
Winter				Spring				Summer				Fall				Winter								
January		February		March		April		May		June		July		August		September		October		November		December
