

# Solar Billing Plan

## 2026 Energy Export Credit (EEC) Values - 2023 Interconnection Application Year

### Understanding Your Energy Export Credit Pricing

As a Solar Billing Plan customer, you will receive Energy Export Credits (EEC) for excess energy your solar system sends to the electric grid. The value<sup>1</sup> of your credits will vary by time of day, weekday or weekend and month.

The EEC values chart for the year you submitted your interconnection application shows how the compensation you will receive varies by time of day, month and Energy Produced<sup>2</sup> and Delivered.

2026 Weekday Values (\$) Per Kilowatt Hour																										
Winter				Spring				Summer				Fall				Winter
