Local Capacity Area Substation List

Updated 11/05/2015

Location Area Bonus are subject to annual revision as a result of the CPUC's annual designation of Local RA Areas and the CAISO's identification of substations. The list of substations located within the RA Areas is also subject to change based on yearly CAISO Technical Analyses in accordance with its Tariff. PG&E is not responsible for any possible discrepancies between the Local RA Areas and the list of substations within the Local RA Area.
