

2018 PROGRAM FACTS

PG&E Distributor LED Replacement Lamps Program

Quick Facts

- Sell ENERGY STAR LED Replacement lamps
- Incentives up to \$16 per lamp
- Submit on line applications and receive payments in less than 45 days
- Contact PG&E for questions

The Program

The PG&E Distributor LED Replacement Lamp Program provides distributors with up to \$16 per lamp incentive for ENERGY STAR® LED replacement lamp sales to PG&E non-residential electric customers.

How it Works

1. Distributor enrolls in the Program by creating an account on Energy Insight here: pge.com/distributorprograms.
2. Distributor sells qualified products, collects the PG&E customer installation address, and confirms product installation with the customer.
3. Distributor submits applications on Energy Insight.
4. PG&E conducts random post installation inspections on select applications; PG&E pays the distributor the incentives for products installed.

Incentive Levels

- Incentive level is determined by the application submission date in Energy Insight.
- The lighting template released on January 1, 2018 or later is required to upload projects. **Only products on the template's equipment list are eligible for incentives.**
- The following bulb types listed in the tables on the right are eligible for incentives if found on the template's equipment list. **Incentives are valid through March 31, 2018.**

Bulb Type on ENERGY STAR	Incentives
R or BR	\$6.50
Candelabra	\$5.00
Globe ≥ 2 to < 3 watts	\$2.00
Globe ≥ 3 to ≤ 10 watts	\$1.50
MR16 < 7 watts*	\$1.50
MR16 ≥ 7 watts*	\$7.00
PAR16*	\$4.00
PAR20	\$7.00
PAR30	\$14.00
PAR38	\$16.00
A-Lamp*	See table below

*Not all ENERGY STAR products for this lamp type are eligible. Please see lighting template equipment list for eligible models.

A-LAMP INCENTIVES

Wattage Equivalency				Efficacy (lm/W)
40W	60W	75W	100W	
\$3				68
\$4	\$3			80
\$4	\$4	\$4	\$5	90
\$4	\$4	\$4	\$5	100
	\$4	\$6	\$7	110
		\$6		120

For questions or to obtain a copy of the Agreement, upload template, or eligible equipment list, contact PG&E at Monika.Jesionek@pge.com.
