

# 2016 PG&E Energy Storage RFO Offer Form Webinar

## Attendees List

| <b>Company</b>                           | <b>Name</b>             |
|--|-------------------------|
| 1 ABB Inc.                               | Peter Santoro           |
| 2 ABB Inc.                               | Ricardo Zima            |
| 3 Adara Power                            | Greg Maguire            |
| 4 Advanced Microgrid Solutions           | Patrick Woods           |
| 5 AltaGas                                | Cherise Nielsen         |
| 6 AltaGas                                | Scott Valentino         |
| 7 Amber Kinetics, Inc.                   | Catherine Rips          |
| 8 Amber Kinetics, Inc.                   | Mark Stout              |
| 9 Ameresco                               | Chad Brown              |
| 10 ARES, LLC                             | Matthew Brown           |
| 11 ARES, LLC                             | William Peitzke         |
| 12 BHER                                  | Don Grafton             |
| 13 Burns & McDonnell                     | Khan Adnan              |
| 14 Burns & McDonnell                     | Scott Hodgdon           |
| 15 Burns & McDonnell                     | Skyler Wills            |
| 16 Calpine                               | Peter So                |
| 17 CCR                                   | Joaquin Sebastian Peral |
| 18 Consolidated Edison Development, Inc. | Sandeep Puskuru         |
| 19 Consolidated Edison Development, Inc. | Janet Harvey            |
| 20 Customized Energy Solutions           | Ann Yu                  |
| 21 Cypress Creek Renewables              | Isaac Liberman          |
| 22 Cypress Creek Renewables              | Brian Knowles           |
| 23 Demand Energy Networks                | Jeff Cook-Coyle         |
| 24 DTE Energy Resources                  | Stephen Braverman       |
| 25 Duke Energy                           | Spencer Hanes           |
| 26 Duke Energy                           | Kevin Hooker            |
| 27 EDF Renewable Energy                  | Thomas de Fresart       |
| 28 EDF Renewable Energy                  | Jamie Link              |
| 29 EDF Renewable Energy                  | Ben Ludwig              |
| 30 EN Engineering                        | Max Lengerich           |
| 31 Enel Green Power North America, Inc.  | Justin Alvord           |
| 32 Energy Dynamix                        | Bob Hoffman             |
| 33 General Electric Inc.                 | Thomas Horgan           |
| 34 General Electric Inc.                 | Akhtar Merchant         |

|  |                     |
|--|---------------------|
| 35 Gransolar                                   | Alejandra Loseto    |
| 36 Greensmith Energy Management Systems        | Kent Sheldon        |
| 37 Greensmith Energy Management Systems        | Eric Yamami         |
| 38 Hecate Energy LLC                           | Preston Schultz     |
| 39 Hecate Energy LLC                           | Gabriel Wapner      |
| 40 ICS   | Yoshi Hirata        |
