

Six Month Notice to Transfer to Direct Access Service

This signed and completed form notifies Pacific Gas and Electric Company (PG&E) of your intent to transfer your service account(s) to Direct Access (DA) service.

Terms and conditions

Within thirty (30) business days of receipt, PG&E will notify you of the status of your Six Month Notice to Transfer to Direct Access Service (Notice). If your Notice has been accepted, the confirmation from PG&E will specify the date by which your Electric Service Provider must submit a Direct Access Service Request to PG&E in order to transfer your service account(s) to DA service. This is important information that you will need to provide to your Electric Service Provider to complete your request. This date is significant because if PG&E does not receive a Direct Access Service Request by this date, your service account(s) will be switched to Transitional Bundled Service for a period of up to sixty (60) days. If a Direct Access Service Request is not received by the end of this sixty (60) day period, then your six month notice to return to DA service will be cancelled, and the cancellation will serve as your six month notice to return to bundled portfolio service. You will be subject to Transitional Bundled Commodity pricing, as defined in rate Schedule TBCC, for a period of six (6) months and then begin a new eighteen (18) month commitment period on bundled portfolio service.

In the event the available annual Load Cap for transferring to DA Service for the current or subsequent phase-in year, if applicable, has been met at the time PG&E receives your Notice, your Notice will be rejected and your service account(s) will not be eligible to transfer to DA Service.

Please email completed and signed form to DANOI@pge.com

***Important: If this notice is submitted by a third-party on behalf of the customer, a signed and executed customer authorization, Authorization to Receive Customer Information or Act Upon a Customer's Behalf (Electric Form No. 79-1095), must be enclosed.**
