

Medical Baseline program: you may save money on your bill

Medical Baseline provides additional energy at the lowest price for gas and electric customers who are dependent on life-support equipment and/or who require special heating or cooling needs for certain medical conditions.

To qualify for Medical Baseline, a licensed physician must certify that you or a full-time resident in your home is:

- Dependent on life-support equipment while at home
- A paraplegic, hemiplegic, quadriplegic or multiple sclerosis patient with special heating and/or cooling needs
- A scleroderma patient with special heating needs
- A person being treated for a life-threatening illness or compromised immune system with special heating and/or cooling requirements to sustain the patient's life or prevent deterioration of the patient's medical condition
