

Welcome to the 2007 Water Conservation Showcase

Organized by

**EAST BAY MUNICIPAL
UTILITY DISTRICT**

PACIFIC ENERGY CENTER

**U.S. GREEN BUILDING
COUNCIL NORTHERN
CALIFORNIA CHAPTER**

EVENT SUPPORTERS

AIA East Bay

ADPSR, Norcal Chapter

Build It Green

California Integrated Waste Management Board

California Urban Water Conservation Council

City of Fremont

City of Livermore Community Development

City of San Jose's Environmental Services

County of Santa Clara – IWMD

County of San Mateo - RecycleWorks

Environmental Resource Center in Berkeley

Global Exchange

Global Green

Local Government Commission

Urban Permaculture Guild

*U.S. Environmental Protection Agency - Pacific
Southwest - Region IX*

Water Resources Center Archives at UC Berkeley

Presentations:

The presentations will take place in two rooms with talks occurring simultaneously on regular 90-minute intervals with a planned forty minute break between sessions. Lectures are forty minutes in length with a ten-minute Q&A session at the end of each lecture.

10:30 am

TRACK - A " A New Wave: Innovative Water Utility Programs"

Vai Campbell and Ron Duncan, Soquel Creek Water District & David Wallenstein, East Bay Municipal Utility District

TRACK - B " You Are Here: Exploring the Relationship Between the San Francisco Bay Area's Microclimates and the Plants that Live Here"

L. Roxanne Evans, Ecological Landscaping Association

12:00 pm

TRACK-A "A Win-Win Situation Water and Energy Conservation in California"

Gary Klein, California Energy Commission; Marjorie Stein, Green Building Studio & Gerald Hamilton, PG&E

TRACK - B "Celebrating the Rain: Landscape Design and Stormwater Management"

Cinda Gilliland & Mary Gourlay, SWA Group

1:30 pm

TRACK - A "Water: How Much? How Hot? How Fast?"

Gary Klein, California Energy Commission

TRACK - B "Run-off Reduction: Green Roofing and Stormwater Management Programs"

Michael Berkshire, City Of Chicago & Rosey Jenks, San Francisco Public Utilities Commission

3:00 pm

TRACK - A "Top Ten Easy Ways to Save Water and Energy in the Commercial Kitchen"

Richard Young, Food Service Technology Center & Charles Bohlig, East Bay Municipal Utility District

TRACK - B "Greywater: Lessons Learned from Arizona"

Val Little, Water Conservation Alliance of Southern Arizona

4:30 pm

TRACK - A "Defining Sustainable Landscapes: A Case Study in Bay-Friendly Landscaping"

Geoff Hall, Stop Waste.Org

TRACK - B "The Challenge and Potential of the LEED Water Credits"

Bill Wilson, Bill Wilson Environmental Planning

6:00 pm

TRACK - A "Site Design for Sustainable Water Reuse"

Josiah Raison Cain, Rana Creek

TRACK - B "Will Conservation Negate the Impact of Climate Change on California Water Systems"

Dr. John Dracup, U.C. Berkeley
