

Work Notice
Former PG&E St. Helena Manufactured Gas Plant
1301 Mitchell Drive, Saint Helena
May 28 – June 3, 2013

Upcoming Soil Sampling

From May 28 to June 3, 2013, PG&E will be collecting soil samples from on and off-site areas of the former St. Helena manufactured gas plant (MGP) site located at 1301 Mitchell Drive in St. Helena. Work will be conducted from 7:00 a.m. to 5:00 p.m., Monday through Friday. A field crew of about six to seven individuals will collect samples using hand tools or with a small drilling rig. All sampling activities are being overseen by the Department of Toxic Substances Control (DTSC) and will be performed in accordance with a DTSC-approved work plan.
