Ms. Melitta Rorty
Senior Project Manager
PG&E Environmental Remediation
3401 Crow Canyon Rd., Rm 117 F
San Ramon, CA 94583

Dear Ms. Rorty,

The City of Monterey is very proud of its history and the beautiful part of the world that we are located in. I would like to express my pleasure on the project of the Monterey substation on the corner of Figueroa and Franklin St. The beautification PG&E has done with that substation is remarkable.

I would like to thank the environmental remediation team for PG&E on the wonderful transformation they have done.

Sincerely,

Chuck Della Sala
Mayor
