Subject: Update of Service Provider Lists

Purpose

As directed in Affiliate Rule IV.C.2, (Decision 97-12-088), Pacific Gas and Electric Company (PG&E) hereby submits its semi-annual update of its lists of service providers. The lists contain third party entities who are not affiliated with PG&E. PG&E requests authorization to continue to offer the following lists to its customers. The most recent lists were filed on May 6, 2006 in Advice Letter 2726-G/2823-E.

- Super List: List of service providers (Attachment A). This list is provided to customers or third parties requesting information about gas or electric service providers. Per CPUC Decision D.03-12-015, all Electric Service Providers (ESPs) that offer electric service to customers in California are required to register with the California Public Utilities Commission (CPUC).

- Electric Service Providers List (Attachment B);

- Natural Gas Suppliers List (Attachment C); and

- Core Transport Agent (CTA) List (Attachment D)

All the lists mentioned above are periodically updated as needed.

This filing will not increase any rate or charge, cause the withdrawal of service, or conflict with any rate schedule or rule.

Electric Energy Service Providers (ESPs)
As of October 31, 2006

Below is a list of ESPs currently authorized to provide electricity to customers in Pacific Gas and Electric Company's service territory. All of these ESPs have signed service agreements with Pacific Gas and Electric Company.

Only those marked with an asterisk (*) currently serve customer load in PG&E's service area. Other ESPs may accept new customers. To determine if an ESP is currently accepting new customers, you should contact the ESP directly.

In addition, all ESPs must register with the California Public Utility Commission (CPUC).
