Advice 3754-E-A
(Pacific Gas and Electric Company ID U39 E)

Public Utilities Commission of the State of California

I. INTRODUCTION

A. Purpose

Pacific Gas and Electric Company (“PG&E”) hereby submits to the California Public Utilities Commission (“Commission” or “CPUC”) this supplemental filing to Advice Letter 3754-E (“Advice Letter”). The Advice Letter requested approval of a 15-year Renewables Portfolio Standard (“RPS”) Power Purchase Agreement (“PPA”) that PG&E has executed with Kiara Solar, Inc. (“Kiara”) for an existing, non-operational biomass facility located in Anderson, California. The Advice Letter seeking approval of the PPA was filed on November 4, 2010. Since that time, PG&E and Kiara have agreed to amend the PPA (“First Amendment”). This supplemental filing describes the First Amendment and requests that the Commission approve the PPA, as amended by the First Amendment.¹

B. Background

The PPA resulted from bilateral negotiations between PG&E and Kiara. The Kiara facility is a biomass plant located in Anderson, California. Although the facility operated under a Qualifying Facility (“QF”) contract in the past, the plant ceased operations in

¹ Supplements to Advice Letters are authorized by General Order 96-B, Section 7.5.1.
The facility, previously known as Anderson Biomass, ceased operating in 2003. Kiara executed a lease option agreement in 2009 and has been working since that time to bring it back online.

On May 31, 2011, PG&E and Kiara executed the First Amendment, which includes an increase in Project capacity to 6.8 MW, a decrease in the overall contract price, an increase in Project Development and Delivery Term Security, an extension of the Guaranteed Construction Start Date, an extension of the Guaranteed Commercial Operational Date from December 31, 2010 to December 31, 2011, and an extension of the date by which Commission approval is needed. The First Amendment results in greater value for the project.

The First Amendment also contains provisions that conform exactly to the “non-modifiable” terms set forth in Appendix C of D.10-03-021, as modified by D.11-01-025. These terms may be found on the following pages of the First Amendment PPA, which is included in Appendix A of this supplement to the Advice Letter.

The First Amendment is attached as Confidential Appendix A, and a description of the First Amendment is summarized in Confidential Appendix B.

An evaluation of the First Amendment by Independent Evaluator (“IE”) Lewis Hashimoto of Arroyo Seco Consulting is contained in Confidential Appendix C. It is the IE’s opinion that the Kiara PPA, as amended in the First Amendment, merits CPUC approval.

DECLARATION OF CARLOS ABREU
SEEKING CONFIDENTIAL TREATMENT
FOR CERTAIN DATA AND INFORMATION
CONTAINED IN ADVICE LETTER 3754-E-A
(PACIFIC GAS AND ELECTRIC COMPANY - U 39 E)

I, Carlos Abreu, declare

1. I am presently employed by Pacific Gas and Electric Company ("PG&E"), and have been an employee at PG&E since 2006. My current title is Principal within PG&E’s Energy Procurement organization. In this position, my responsibilities include negotiating PG&E’s Renewables Portfolio Standard Program ("RPS") Power Purchase Agreements. In carrying out these responsibilities, I have acquired knowledge of PG&E’s contracts with numerous counterparties and have also gained knowledge of the operations of electricity sellers in general. Through this experience, I have become familiar with the type of information that would affect the negotiating positions of electricity sellers with respect to price and other terms, as well as with the type of information that such sellers consider confidential and proprietary.

3. Attached to this declaration is a matrix identifying the data and information for which PG&E is seeking confidential treatment. The matrix specifies that the material PG&E is seeking to protect constitutes the particular type of data and information listed in Appendix 1 of D.06-06-066 and Appendix C of D.08-04-023 (the “IOU Matrix”), and/or constitutes information that should be protected under General Order 66-C. The matrix also specifies the category or
categories in the IOU Matrix to which the data and information corresponds, if applicable, and why confidential protection is justified. Finally, the matrix specifies that: (1) PG&E is complying with the limitations specified in the IOU Matrix for that type of data or information, if applicable; (2) the information is not already public; and (3) the data cannot be aggregated, redacted, summarized or otherwise protected in a way that allows partial disclosure. By this reference, I am incorporating into this declaration all of the explanatory text in the attached matrix that is pertinent to this filing.

I declare under penalty of perjury, under the laws of the State of California, that to the best of my knowledge the foregoing is true and correct. Executed on June 10, 2011 in San Francisco, California.
