Advice 4214-E
(Pacific Gas and Electric Company ID U 39 E)

Public Utilities Commission of the State of California

**Subject: Reappointment of Susan Muranishi to PG&E's Nuclear
Decommissioning Trust Fund Committee**

Purpose

Pacific Gas and Electric Company (PG&E) hereby submits for filing this update to PG&E's Committee for Nuclear Decommissioning Trust Funds established pursuant to Decision (D.) 87-05-062, Resolution (Res.) E-3048 and Ordering Paragraph 7 of D.13-01-039. PG&E is requesting California Public Utilities Commission (Commission or CPUC) confirmation of nominee Susan S. Muranishi to the Committee of PG&E's Nuclear Decommissioning Trust Funds for an additional five year term beginning May 17, 2013, or the effective date of this advice filing; whichever is first.

Background

In response to D.87-05-062 and Res. E-3048, PG&E negotiated with the Commission Staff and the Trustee of its decommissioning trusts to develop trust agreements for its nuclear decommissioning costs in accordance with guidelines set forth in that decision. Two trust agreements were required, one for the decommissioning funds which qualify for an income tax deduction under Section 468A of the Internal Revenue Code (Qualified Trust) and one for the remaining funds (Non-Qualified Trust). The two agreements are collectively referred to herein as the 'Trusts.'

The Trusts require, among other things, that they be managed by a Committee composed of five members, three of whom are not affiliated with PG&E. The Trusts require that the Committee members be nominated by the management of PG&E and confirmed with the Board of Directors. Additionally, the Trusts require that the committee members not affiliated with PG&E be confirmed by the Commission.

Thus, through this filing, PG&E is requesting Commission confirmation of Susan S. Muranishi, who is not affiliated with PG&E, in accordance with the provisions set forth in the Trusts.

Nomination of Susan S. Muranishi

PG&E has re-nominated Ms. Muranishi to serve as a non-affiliated member for an additional five-year term.

The issues in this filing are limited to the qualifications of the nominee to serve on the Committees of PG&E's Trusts and the fee arrangements for her services. As described below, the qualifications of the Ms. Muranishi, and all of the information necessary for the Commission to determine the existence of any conflict of interest, are fully set forth herein.

The education and professional background of Ms. Muranishi is set forth in Appendix A included herein. Also, the Attachments to Appendix A contain a "conflict of interest" declaration of Ms. Muranishi, as required by the Trusts. PG&E's proposed fee for Ms. Muranishi is the arrangement approved in D.07-01-003, dated January 11, 2007, which is \$12,000 per annum retainer, plus \$500 for each meeting attended and reimbursement of reasonable expenses. The Commission has explicitly determined the compensation arrangement reasonable, and thus PG&E requests that the Commission confirm that these fees are reasonable and shall continue until revised by the process set forth in the Trust Agreements.

Additionally, PG&E requests that in the event Ms. Muranishi is not confirmed by the Commission, PG&E may take the following actions to ensure a full Committee:

Confirm the nomination of a PG&E employee, who shall serve as a Committee member, subject to Commission approval, for up to one year of such time as a new nominee has been confirmed by PG&E's Board of Directors and confirmed by the Commission, as stipulated in Article 3.01 of the Trust Agreements.

This filing will not result in an increase in any rates or charges, conflict with any schedules or rules, nor cause withdrawal of service.
