SUBJECT: Revisions to Service Area Maps and Descriptions

Dear Ms. Allen:

Sincerely,

Director, Energy Division
November 17, 2014

Advice 3531-G/4535-E
(Pacific Gas and Electric Company ID U 39 M)

Public Utilities Commission of the State of California

Subject: Revisions to Service Area Maps and Descriptions

Purpose

Pacific Gas and Electric Company (PG&E) hereby submits for filing, updates to PG&E’s existing gas and electric service area maps and descriptions in Preliminary Statement A. The current maps have not been updated in several years and can be difficult to read. In addition to updating the maps, PG&E provides a list of zip codes for the areas which it serves. No revision to the actual service territory that is served by PG&E is being requested with this filing.

Tariff Revisions

The attached maps and zip codes replace the service area maps currently on file with the Commission. In addition, PG&E is adding to Preliminary Statement A references to the location of the new maps.

The filing would not increase any current rate or charge, cause the withdrawal of service, or conflict with any rate schedule or rule.

Protests

Anyone wishing to protest this filing may do so by letter sent via U.S. mail, facsimile or E-mail, no later than December 8, 2014, which is 21 days¹ after the date of this filing. Protests must be submitted to:

The protest shall also be sent to PG&E either via E-mail or U.S. mail (and by facsimile, if possible) at the address shown below on the same date it is mailed or delivered to the Commission:

The protest shall contain the following information: specification of the advice letter protested; grounds for the protest; supporting factual information or legal argument; name, telephone number, postal address, and (where appropriate) e-mail address of the protestant; and statement that the protest was sent to the utility no later than the day on which the protest was submitted to the reviewing Industry Division (General Order 96-B, Section 3.11).

Effective Date

PG&E requests that this Tier 2 advice filing become effective on regular notice, December 17, 2014, which is 30 calendar days after the date of filing.

Notice
