Advice 4767-E
(Pacific Gas and Electric Company ID U39 E)

Public Utilities Commission of the State of California

Subject: Submits Notice of Construction, Pursuant to General Order 131-D, for the Construction of Pacific-Ethanol 60 kV Power Line Relocation Project in the City of Stockton, County of San Joaquin

Pacific Gas and Electric Company (“PG&E” or “the Company”) hereby submits notice pursuant to General Order (G.O.) 131-D, Section XI, Subsection B.4, of the construction of facilities that are exempt from a Permit to Construct.

Purpose

This advice letter provides a copy of the Notice of Proposed Construction (Attachment I) and the Notice Distribution List, which comply with the noticing requirements found in G.O. 131-D, Section XI.

Background

The Port of Stockton has requested PG&E to relocate approximately 1,050 feet of the existing Pacific-Ethanol 60 Kilovolt (kV) Power Line along Navy Drive in Stockton. PG&E will move the existing power line, supported by three wood poles, approximately 18 feet to the west to accommodate a Port of Stockton road-widening project. The relocation begins approximately 380 feet south of the intersection of West Washington Street and Navy Drive, and continues south for approximately 730 feet, then approximately 320 feet to the west. PG&E will replace the existing wood poles with new wood poles of approximately the same height or 5 feet taller. Construction is tentatively scheduled for Spring 2016, or as soon as project plans and approvals are in place.

CPUC General Order 131-D, Section III, Subsection B.1, exempts projects meeting specific conditions from the CPUC’s requirement to file an application requesting authority to construct. The Company believes this project qualifies for the following exemption(s),
c. “the minor relocation of existing power line facilities up to 2,000 feet in length, or the interseting of additional support structures between existing support structures.”

This filing will not cause the withdrawal of service, or conflict with any other rate schedule or rule.
