Advice 2811-G

(Pacific Gas and Electric Company ID U39G)

Public Utilities Commission of the State of California

Subject: March 2007 G-SUR Rate Change

Pacific Gas and Electric Company (PG&E) hereby submits for filing revisions to its gas tariffs. The affected tariff sheets are listed on the enclosed Attachment I.

Purpose

The purpose of this filing is to submit monthly revisions to the gas Schedule G-SUR effective **March 1, 2007**. In accordance with Resolution G-3326, the Schedule G-SUR rate now changes in conjunction with core gas procurement rates, which is generally on the 5th business day of the month. However, D.98-07-025 allows PG&E to change its core procurement rates on the first day of the month when core transportation rates change on the first of the month. The intent of implementing only one core rate change in a given month is to avoid administrative burden and customer confusion that would otherwise occur.¹ Accordingly, PG&E will revise core procurement rates effective March 1, 2007, the date that the '10/20 Plus' program ends and the '10/20 Plus' rebate calculation begins, in order to reduce administrative burden.

Pursuant to Public Utilities Code Sections 6350-6354, gas volumes procured by customers from third-party entities and transported by PG&E may be subject to a gas franchise fee surcharge under Schedule G-SUR--*Customer-Procured Gas Franchise Fee Surcharge*. The franchise fee surcharge is calculated based on the monthly core Weighted Average Cost of Gas (WACOG), exclusive of storage

¹ D.98-07-025, Finding of Fact 5: To the extent that more than one rate change occurs in a single month, the potential exists to increase administrative burden and confuse customers.

costs, and franchise fees and uncollectibles, multiplied by the franchise fee factor adopted in PG&E's most recent General Rate Case.*

Effective **March 1, 2007**, the G-SUR price is **\$0.00671** per therm. The price in this advice filing shall remain in effect until the next such filing with the CPUC. Prices are posted on PG&E's internet website at:

<http://www.pge.com/tariffs/>

Protests

Anyone wishing to protest this filing may do so by sending a letter within 20 days of the date of this filing, **March 14, 2007**. The protest must state the grounds upon which it is based, including such items as financial and service impact, and should be submitted expeditiously. Protests should be mailed to:

The protests should be sent via both e-mail and facsimile to PG&E on the same date it is mailed or delivered to the Commission at the address shown below.
