Advice 2851-G/3088-E

(Pacific Gas and Electric Company ID U 39 M)

Public Utilities Commission of the State of California

Subject: Revision to Form 79-1099 – Property Manager Authorization Form

Pacific Gas and Electric Company (PG&E) hereby submits for filing revisions to its gas and electric tariffs. The affected tariff sheets are listed on the enclosed Attachment I.

Purpose

The Property Manager Authorization Form is used by property owners to give property managers the ability to manage all aspects of the owner's properties, regarding gas and electric service. The previous version of the Form, submitted in Advice 2821-G-A/3015-E-A and approved on April 25, 2007, did not allow property managers to access all aspects of property owners properties because the property owner had to specify which accounts or service addresses they wanted the property managers to manage. As a result, property managers could not initiate service for new accounts for acquired properties on the behalf of the property owner, which was the original intent of the form.

Tariff Revisions

PG&E is revising Form 79-1099 to provide two options for the property owner to choose from regarding the degree of access the property manager has to existing and future service accounts under the owner's name. Option A allows the property owner to designate specific service addresses and accounts for which service has already been initiated that the property manager can manage. Option B gives property managers the authority to manage all existing and future accounts and services addresses under the owner's name.

Anyone wishing to protest this filing may do so by letter sent via U.S. mail, by facsimile or electronically, any of which must be received no later than **August 8, 2007**, which is 20 days after the date of this filing. Protests should be mailed to:

PROPERTY MANAGER AUTHORIZATION TO RECEIVE OWNER INFORMATION OR ACT ON A OWNER'S BEHALF

PLEASE READ TERMS AND CONDITIONS CAREFULLY. THIS CONTRACT IS LEGALLY BINDING

(Please Print or Type)

Please note that when completing this form you have an important decision to make regarding the level of authority you can grant to your property manager and their specific acts/functions. There are two levels of authority to choose from, Option A and Option B.

Option A only allows your property manager the ability to manage the specified accounts that you designate below. Your property manager will be able to perform all the specified acts/functions that you authorize with limitations regarding **Function 9 Section A** (start service). If you choose to allow your property manager to start service on your behalf, your property manager will only be able to start service for an existing account or if you have previously had service in your name at that address. One way to eliminate the need to call and start service each time a tenant moves out is by completing the **Interim Service Agreement** form (described below). Additionally, if a new property is acquired, you will be required to contact PG&E to establish service. Your property manager will not have authorization to call and start service on your behalf.

Option B offers your property manager open ended authority to perform the specific acts/functions that you authorize. For example, if you choose to allow your property manager to start service on your behalf, they will be able to start service in any area of PG&E's service territory without any communication between you (owner) and PG&E. The Interim Service Agreement (described below) is also available under Option B.

The Interim Service Agreement form (to be signed by the owner) is designed to have the service transfer out of your name and into the tenant's name when the tenant signs up for service. In addition, when a tenant notifies PG&E of intent to move, service is automatically transferred back into your name without any call from you to reestablish service. To learn more about the **Interim Service Agreement form**, visit www.pge.com/customer_service/property_managers_owners/ or call the Business Customer Service Center at (800) 468-4743.

This Agreement between _____ (Applicant/Owner) and Pacific Gas and Electric Company (PG&E) is to establish authorization to permit property managers to take certain actions on behalf owner/account holder. The owner may permit a property manager to receive information or transact business on his or her behalf. It is PG&E's desire to permit property managers to transact necessary business in a manner consistent with the intentions of the owner without jeopardizing the confidential nature of the owner's information.
