Advice 3764-G/4924-E

(Pacific Gas and Electric Company ID U 39 M)

Public Utilities Commission of the State of California

Subject: Approval of New Share My Data Customer Authorization or Revocation of Authorization Form (Form 79-1186)

Pacific Gas and Electric Company (PG&E) hereby submits for approval a new customer information release form, Gas and Electric Sample Form 79-1186 – *Share My Data Customer Authorization or Revocation of Authorization Form*.

Purpose

This Advice Letter seeks California Public Utilities Commission (Commission or CPUC) approval of Gas and Electric Sample Form 79-1186 to reflect enhancements to data accessible through its Share My Data platform. The form would authorize PG&E to release gas and electric energy usage, account information, billing information and basic customer information (or “Customer Data”) to authorized third parties, as designated by the customer.

Background

Pursuant to Ordering Paragraphs 18 and 19 of Commission Decision (D.) 13-09-025, PG&E filed Advice Letter 4378-E and supplemental Advice Letter 4378-E-A, establishing PG&E’s Electric Rule 25 (approved effective August 15, 2014). Electric Rule 25 allows third parties access to PG&E customers’ interval usage data through the Customer Data Access (CDA) program, consistent with PG&E’s Rule 27, *Privacy and Security Protections for Energy Usage Data* (Data Privacy Rule). As part of the approved CDA program, customers provide authorization to third parties using PG&E’s Form 79-1147, *Authorization or Revocation of Authorization to Receive Customer Usage Information*.

PG&E’s CDA program includes an on-line platform called Share My Data that is an external-facing platform providing secure access to customer data for all customer classes. Customers can access the information for personal use or authorize a third party to access their interval usage data for their specified authorized account(s). PG&E

has completed enhancements to the Share My Data platform and has added functionality to allow customers to authorize third parties to access data other than interval usage data. A customer may choose to authorize, individually or in combination: Basic, Account, Billing and Usage information. Thus, the current *Authorization or Revocation of Authorization to Receive Customer Usage Information* form (79-1147) is no longer sufficient to support the CDA program.

Request for Approval

PG&E requests approval of Gas and Electric Sample Form 79-1186 - *Share My Data Customer Authorization or Revocation of Authorization Form*, attached to this Advice Letter as Attachment 1.

The proposed Share My Data Customer Authorization or Revocation of Authorization Form supplements the on-line authorization process, and is needed for customers who prefer a paper-based authorization form to customize the data that third parties may access through PG&E's Share My Data on-line platform.

The filing would not increase any current rate or charge, cause the withdrawal of service, or conflict with any rate schedule or rule.

Protests

Anyone wishing to protest this filing may do so by letter sent via U.S. mail, facsimile or E-mail, no later than October 19, 2016, which is 20 days after the date of this filing. Protests must be submitted to:
