Notice of Joint Electric Program Investment Charge Program Fall Symposium

California Energy Commission staff, Pacific Gas and Electric Company (PG&E), San Diego Gas & Electric Company (SDG&E), and Southern California Edison Company (SCE) will host the second Annual Electric Program Investment Charge (EPIC) Symposium. The Symposium will showcase a variety of EPIC projects that support **Distribution System Automation**. EPIC, an energy innovation funding program, seeks to drive efficient, coordinated investment in new and emerging energy solutions. The Symposium will highlight innovative solutions for reaching California's 2030 energy goals.

To register, please visit the EPIC Symposium registration website:

Background

In Decision (D.) 12-05-037, the California Public Utilities Commission (CPUC) requires the four EPIC Administrators to consult with interested stakeholders no less than twice a year, both during the development of each investment plan and during its execution. D.15-04-020 requires one of these two annual workshops to be an EPIC Innovation Symposium intended to achieve the following: share progress, results, and future plans; improve coordination and understanding among administrators, parties, and the CPUC; raise awareness and visibility of EPIC investments; and promote program transparency.

D.12-05-037 (Ordering Paragraph 15) requires EPIC Administrators to provide notice of these biannual meetings to the parties on the service list of R.11-10-003 and any subsequent related proceedings.

Public Comment

The public is invited to provide comments during the Symposium. Any comments may become part of the public record in this proceeding 17-EPIC-01.
