

Notice of Joint Workshop on Planning for the Third Triennial Electric Program Investment Charge (EPIC) Program

California Energy Commission staff, Pacific Gas and Electric Company (PG&E), Southern California Edison Company (SCE), and San Diego Gas & Electric Company (SDG&E), collectively referred to as Electric Program Investment Charge (EPIC) Administrators, will conduct three workshops to obtain stakeholder feedback on the proposed plans for the upcoming 2018-2020 EPIC Program Investment Plan. There will be two workshops by the Investor-Owned Utilities (IOUs), and one by the Energy Commission (meeting information below). These workshops contribute to ongoing coordination and understanding among administrators, stakeholders, interested parties, and the California Public Utilities Commission (CPUC), while also raising awareness and visibility of EPIC investments and promoting EPIC program transparency. Commissioners from the Energy Commission and CPUC may also be in attendance.
