

Mandatory Requirements for Enrollment and Membership

Please review the following:

- **Valid CA Business License** - Must have a valid business license to work in the state of California
- **Valid C10 or C20 Contractor License** - For those who do their own installs **OR** the same license requirements are needed for their subcontractors
- **Current "Shovel Ready" OBF/Custom Projects** – Membership contingent on having one to two OBF or custom projects ready to submit.
- **Must pass OBF Mosaic training annually with a minimum score of 90%** - Register for and complete PG&E's [On-Bill Financing training](#) once per year. The training takes about one and a half hours to complete.
- **Maintaining Active Member Status** – Must submit four to six projects per year as an ongoing requirement to maintain active status.
- Review the [terms and conditions](#) for membership in PG&E's Trade Professional Alliance. Within the registration process to become a member, you will be prompted to accept these terms and conditions.
- For more information on PG&E's Trade Professional Alliance program, visit pge.com/tradepro.
