

PG&E may modify the information provided below at any time for any reason. No advance notice is necessary for such modifications to take effect. In the case of differences between this information and the Solicitation Protocol, the Solicitation Protocol will govern.

Long-Term Bundled RPS Energy Sale Solicitation – Questions and Answers

Question 1: Can a Participant choose their preferred resources after bids are awarded?

Answer: Participants with qualified bid(s) will have the option of stating a resource preference. To the extent feasible, PG&E will seek to meet the Participants preference.

Question 2: Can a Participant choose their preferred bid between a qualified Index Price Option bid and a qualified Fixed Price Option bid?

Answer: Participants with qualified bid(s) may have the opportunity to state their preference of Index Price Option or Fixed Price Option. To the extent feasible, PG&E will seek to meet the Participants preference.

Question 3: Should Participant's bid to the updated agreement provided by PG&E, or to the Participant's preferred agreement?

Answer: Participants should bid to the updated agreement provided by PG&E.
