

RAM 6 RFO Q&A
July 14, 2015

Webinar Questions:

1. Will systems that include energy storage be eligible for RAM6?

PG&E is not accepting any storage options in this solicitation.

2. What is maximum expected allocation for Environmental Justice Sites for this solicitation?

The maximum allocation for Environmental Justice projects that can be procured in the sixth RAM solicitation is 11.3 MW. PG&E will aim to meet the target of 8.3 MW if there are competitive offers.
