Work Location:	<u>Service: Across PG&E's territory Parts: Delivery to 64 garage locations</u>
Response Due Dates:	<u>Register interest via PowerAdvocate: April 19, 2021 Formal RFP responses due: April 28, 2021, by 5pm PDT</u>

Opportunity Description:

Background:

Pacific Gas and Electric Company (www.pge.com), a subsidiary of PG&E Corporation, is one of the largest combined natural gas and electric energy companies in the United States. Based in San Francisco with more than 23,000 employees, the company is the primary natural gas and electric service provider for Northern and Central California. The company's 70,000-square-mile service area stretches from Eureka in the north to Bakersfield in the south and from the Pacific Ocean in the west to the Sierra Nevada in the east. PG&E delivers some of the nation's cleanest energy to 16 million people.

During this opportunity, PG&E is seeking service providers and part suppliers to maintain its fleet of 15,000 vehicles, which includes light, medium, heavy duty vehicles, off road equipment, forklifts, manlifts, back hoes, trailers, and snow removal equipment. PG&E's services its fleet through 64 garage facilities (with over 300 certified onsite mechanics) and 100+ service centers (which contain vehicles).

Contract Opportunity Description:

Services: PG&E is seeking suppliers to provide General Maintenance and Tire services. The successful bidder will ensure industry-leading Fixed-right First-time metrics and will provide excellent customer service for our Transportation team.

Maintenance Services: (1) Bodywork to repair vehicles after accidents, (2) Heavy repair such as engine rebuilds and transmission replacements, (2) Light Repairs such as compressor swaps and alternator replacements, (3) Preventive maintenance such as oil changes, inspections, and filter changes, and (4) Hydraulic repairs such as hose, valve, and filtration system replacement (6) Warranty repairs and manufacturer recalls

Tire Services: (1) TIA/equivalent certified technicians (2) weekend tire inspections, (3) rotation and repair services, (4) wheel alignment service, (5) tire re-treading services, (6) onsite tire mounting, dismounting, and balancing, and (7) tire related services to optimize maintenance

Parts: PG&E is seeking part suppliers to deliver parts to its garage locations and supply parts for pick-up. Pricing will be contracted for all parts for 1 year. The successful bidder will propose innovative ways to process payments, process warranty claims, and transfer work order information with PG&E. The awarded contract may be extended for 2 option-years at PG&E's discretion.

Part categories include:

1. Body
2. Chassis
3. Electrical
4. General Accessories
5. HVAC System
6. Hydraulic System
7. Line-Hose-Rope-Fittings
8. Powertrain
9. Tool
10. Trailer
11. Transfer Case/PTO
12. Transmission
13. Tires

Supply Chain Responsibility Considerations:

The selected supplier is encouraged to align with PG&E's Supply Chain Responsibility policies and procedures. The supplier will be asked to provide a detailed description of their internal, specific supply chain responsibility program and practices related to supplier diversity, environmental sustainability and ethical business conduct.

Conduct Requirements:

Suppliers, as well as their employees, subcontractors and sub-suppliers, must adhere to the principles and standards outlined in our Supplier Code of Conduct as they provide goods and services to PG&E. Review Code and understand its obligations here:
