PG&E Better Together Resilient Communities
Grant Application 2018

Climate Risk Focus: Extreme Heat Events

PG&E is requesting grant proposals of $100,000 that will help communities prepare for and withstand extreme heat events. Eligible applications will include research, planning, or demonstration projects that better position communities to manage for a future with a greater frequency and duration of heatwaves.

The deadline for applications is May 11, 2018. Applications should be submitted to BetterTogetherGrantPrograms@pge.com. Applicants are encouraged to transfer questions from this PDF to a word document, or contact the email address above to request a digital Word version of this application.
