#### **PG&E rep engagement delivers results**

*"With the help from our PG&E rep Nicholas, we developed a Preventive Maintenance Plan for electric power at our cherry packing shed. His support helped us address our safety concerns, maximize equipment longevity and prepare for upcoming capital projects."*

[Contact your PG&E rep now »](#)

#### ENERGY TRENDS

#### **Retrofitting with meter-based energy efficiency**

PG&E's **Commercial Whole Building Program** brings the benefits of a meter-based energy efficiency method to your retrofit projects. With our program, you can better track savings and support your business' economic goals.
