#### 2022 WORLD AG EXPO

### Visit the PG&E pavilion

Meet our Ag advisors, ask questions and learn more about the programs your business could benefit from this season.

[Get the details »](#)

#### MONEY SAVINGS

### Maximize your savings with time-of-use rates

Peak hours for time-of-use rate plans have changed. You can reduce your expenses by shifting your energy use to partial-peak or off-peak hours of the day when rates are lower.
