

Energy Advisor
October 2019

A MESSAGE FROM OUR CEO

We hear the anger, and are working hard to avoid power shut-offs

Our intent is to show customers that PG&E will always act with their safety foremost in our decision-making.

EXPIRES
December 31
2019

LIGHTING

Get these lighting rebates before they expire

LED lighting rebates are running out fast! If your project involves upgrading your farm's high-bay, low-bay and ambient lighting, now is the time to act.

FINANCING

Affordable upgrades, easy process

PG&E offers 0% interest loans for replacing old and worn-out equipment with more energy-efficient models.

[Find out how »](#)

Save with your new irrigation system

"Taking advantage of the rebates offered by PG&E, we now have a reservoir with a VFD in place that enables us to operate at a higher efficiency." *Craig Hornung, Soil and Irrigation Specialist, Griffith Farms*

SAFETY

Call 811 before you dig or plant

Soil erosion and the use of powerful farming tools increase the potential for damage to underground gas lines.
