

Energy Advisor
October 2019

A MESSAGE FROM OUR CEO

We hear the anger, and are working hard to avoid power shut-offs

Our intent is to show customers that PG&E will always act with their safety foremost in our decision-making.

NEW EV FLEET PROGRAM

Drive change by electrifying your fleet

PG&E's new EV Fleet Program helps schools easily and cost-effectively install charging infrastructure.

[Go electric »](#)

RESOURCES

Online energy guide for educators

PG&E has created curricula-based programs for schools to help students learn more about energy, energy efficiency, sustainability and the environment.

[Access the guide here »](#)

Get these lighting rebates before they expire on December 31, 2019

If your project involves upgrading your school's high-bay, low-bay, ambient and parking lot lighting, now is the time to act.
