Diablo Canyon Decommissioning Engagement Panel (DCDEP)

to Hold a Virtual Public Meeting

San Luis Obispo, CA – The Diablo Canyon Decommissioning Engagement Panel (DCDEP) will hold a virtual public meeting on **Wednesday, August 25 from 6:00pm-9:30pm (PT)**. The meeting will be held via Zoom and the Panel will:

- Discuss the recent California Public Utilities Commission (CPUC) proposed decision on PG&E's 2018 cost estimate for decommissioning Diablo Canyon Power Plant (DCPP)
- Discuss the process and market analysis for the repurposing of plant facilities and the surrounding 750 acres known as "Parcel P"
- Discuss the potential for offshore wind energy development and how it could impact the repurposing of the site
- Continue discussion on supplementing community water supplies from the DCPP desalination facility

Representatives from PG&E, the California Energy Commission, and subject matter experts on desalination and real estate will be making presentations and responding to the Panel's questions.

The public can register to attend the online webinar by visiting the Diablo Canyon Decommissioning Engagement Panel website at <https://diablocanyonpanel.org/>. In addition to the live webinar, the meeting will be broadcast on SLOSPAN and local access Channel 21.

Information about decommissioning DCPD is available on the independent [Engagement Panel website](#) and also the recently updated [PG&E decommissioning website](#), which includes interactive maps and a special [YouTube channel for virtual access to decommissioning information](#).

About the Panel:

The Diablo Canyon Decommissioning Engagement Panel was created to foster open and frequent dialogue between members of the local community and PG&E on matters related to DCPD decommissioning. Panelists are local community members from across San Luis Obispo County who were selected to broadly represent diverse community viewpoints. The Panel meets periodically on matters related to DCPD decommissioning and the future use of DCPD lands and facilities.
