CHARLENE ROSALES
TERM ENDS: MAY 2023
Charlene is a 35-year resident of San Luis Obispo and is currently the Deputy Director/COVID Manager for Mission Community Services Corporation (MCSC) Women’s Business Centers in July 2020. The service territory covers San Luis Obispo, Kern, and Monterey counties, and she is responsible for all three Centers. Charlene attended Cal Poly State University and completed his training in Radiology at Harbor-UCLA and UC San Diego. She has lived on the Central Coast for 11 years and currently lives in the Squire Canyon area of Avila Beach. Timothy attended medical school at Case Western Reserve University and completed his training in Radiology at Harbor-UCLA and UC San Diego.

KARA WOODRUFF
TERM ENDS: MAY 2023
Kara is a 35+ year resident of San Luis Obispo, financial planner at Blakeley & Blakeley, and Senior Policy Advisor for California State Senator John Laird. As former project director for The Nature Conservancy and Board President of American Land Conservancy, Kara has been directly involved in the conservation of over 100,000 acres on the Central Coast and brings to the panel an impassioned interest in the conservation of the Diablo Canyon Lands, including Wild Cherry Canyon. Kara earned a BA in Business from Cal Poly, San Luis Obispo, and MA and JD degrees from Duke University. She is a California-licensed attorney and proud mother of two adult daughters.

ROBERT C. PAVLIK
TERM ENDS: MAY 2023
Robert, or ‘Bob’, lives in San Luis Obispo with his wife, Rayena. He is currently a part-time historian with the California Department of Parks and Recreation, Off-Highway Motor Vehicle Recreation Division. At the end of 2015, he retired from the California Department of Transportation as a supervising Environmental Planner for the Central Region. A native of Cleveland, Ohio, Bob was raised in the San Fernando Valley but grew up in the mountains and along the coast of California, hiking, climbing, learning and reveling in the great natural beauty and cultural history of the state. Following his graduation from California State University, Northridge, he worked for State Parks (Santa Monica Mountains, San Mateo Coast, Big Sur, and San Simeon); Yosemite Institute (Yosemite NP); and the National Park Service (Yosemite NP). He earned his M.A. degree in History from the Public Historical Studies program, University of California, Santa Barbara, and has lived in San Luis Obispo County since 1986. He formerly served as a member of the City of San Luis Obispo Cultural Heritage Committee; the Bureau of Land Management’s Carrizo Plain National Monument Advisory Committee; and Heritage Share.

TIMOTHY AURANTIMOTHY AURAN
TERM ENDS: MAY 2023
Timothy is an interventional radiologist at Radiology Associates in San Luis Obispo, with an interest in radiation therapy and the nuclear industry. He grew up outside of Cleveland, Ohio, received a bachelor’s degree in Mechanical Engineering and interned at Westinghouse Electric working on the design of naval nuclear reactors. Timothy attended medical school at Case Western Reserve University and completed his training in Radiology at Harbor-UCLA and UC San Diego. Timothy has served in several medical staff positions at local hospitals, including Chief of Staff at Sierra Vista Regional Medical Center, and is currently CEO of Radiology Associates. Given his proximity to Diablo Canyon Power Plant and love of local hiking, he hopes to preserve the natural beauty of the area during and after the decommissioning process.

BILL ALMAS
TERM ENDS: MAY 2024

Bill and his wife Karen have lived in San Luis Obispo for 21 years. He retired from Chevron as a Senior Real Estate Manager in 2015. He held various positions with Chevron and Unocal, including Environmental and Regulatory Manager, Manager of Government Affairs, Area Manager, and Environmental and Regulatory Manager for Molyco; a subsidiary of Unocal. He was the lead for Unocal property purchase and settlements associated with the Arxia Beach remediation and managed the preparation of the San Luis Obispo Chevron Tank Farm Environmental Impact Report and various property sales. Prior to working for Chevron, Bill worked for several uranium mining and processing companies as an Environmental Manager and scientist. As such, he was responsible for permitting and compliance for operating facilities and was part of the team responsible for the decommissioning and reclamation of several uranium mining and processing facilities regulated by State and Federal authority. Bill holds a Bachelor of Science degree from Colorado State University College of Natural Resources and a Master of Business Administration degree from the University of Colorado. He has held board positions in the Rotary Club of SLO Daybreak, San Luis Obispo Chamber of Commerce, Mt. Carmel Lutheran Church, and the Literacy Council.

DAVID BALDWIN
TERM ENDS: MAY 2024

David is a lifelong resident of San Luis Obispo County. Joining the Plasterers and Cement Masons Union Local #775 in 1983, he was a Cement Mason until 1995 when he became a Cement Masons Local 600 representative, a position he held for 20 years. As a labor leader, he served in various roles including Pension Trustee and Chairman of the Board for Taft Hartley Trust Funds and President of the Southern California District Council of Plasterers, Cement Masons, and Stucco Workers. David was an elected delegate and labor representative at the San Luis Obispo County Democratic Party where he was recognized as Labor Leader of the Year in 2013. In 2014, David was appointed by the governor to the 16th District Agricultural Association California Mid-State Fair Board of Directors, where he currently serves as Chairman of the Finance and Operations Committees. David now works in Public Works Labor Compliance for the Labor Management Compliance Council and is a member of Plumbers and Steamfitters Local 603.

DENA BELLMAN
TERM ENDS: MAY 2024

Dena has lived in San Luis Obispo County most of her life and works as the District Planning Chief with the Channel Coast District of California State Parks. She brings a strong knowledge of government and community to this decommissioning effort and is active in many community-building efforts, having most recently served as Vice Chair of United Way of SLO County Board of Directors, Treasurer of the Board for 5Cities Homeless Coalition, and Director for South County Chambers of Commerce Board. She has also engaged in economic development and tourism efforts, serving on the economic development committee for the San Luis Obispo Chamber of Commerce, film commission and tourism committees with SLOCAL, and as an Advisory Board member for the SLO County Business Improvement District. Dena has a passion for travel and has immersed philanthropy in travel by volunteering with ICARE International, having completed several humanitarian missions to Central and South America.
**MICHAEL LUCAS**

TERM ENDS: MAY 2025

Michael and his family are 20-year residents of Morro Bay. Michael is Professor Emeritus in Architecture at Cal Poly where he has taught design since 1997 and developed general education electives in design and the built environment for all majors. His research has focused on the way cultures conceptualize the environment and has taken him across Indigenous communities in the American Southwest and the coast of British Columbia, and vernacular settings across Europe. He also served as Associate Dean for Academic Affairs for the College of Architecture and Environmental Design at the University of Prešov in the Slovak Republic. He was a practicing architect in the Chesapeake Bay area for almost 20 years, where he was a designer in primarily underserved communities, and included non-profit, educational, and university clientele. Several projects earned him awards from branches of the American Institute of Architects. Michael hopes to contribute his background in environmental review, land use, design, and ethics toward stewardship of the lands and an intergenerational compact on decommissioning and safe storage between current and future generations on the Central Coast. He previously served as Planning Commissioner for the City of Morro Bay for over 15 years, most recently during the review of the new General Plan.

**BRUCE SEVERANCE**

TERM ENDS: MAY 2025

Bruce is a resident of Grover Beach and has lived in the South County area for over 25 years. A graduate of Art Center College of Design in Pasadena, Bruce has been an electric vehicle and green product designer since 1990 and a licensed green builder, home designer and energy analyst since 2011. He is a climate policy advocate, most recently, serving as a regulatory compliance engineer for Mitsubishi Electric, a government relations role in both California and Mexico. His energy research has contributed to the development process the California Energy Code (2022-2025) as well as the current statewide electrification incentive program design. Bruce has close ties with the Latino community and advocates for policies that consider social justice and disadvantaged community concerns. He co-founded the Latino Business and Community Council (LBCC) and has served on boards of homelessness services organizations in the region. He is also a founding member of the San Luis Obispo Climate Coalition and the Economic Recovery Initiative and has served as a council member on the Central Coast Community Energy’s (CCCE) Advisory Council since 2020. In recent years, Bruce contributed to the establishment of Cal Poly’s Institute for Climate Leadership and Resilience (ICLR) and spearheaded the development of ICLR’s “Research Collaborative.” Initial projects have focused on repurposing of stranded assets such as the Phillips 66 plant in Nipomo.

**LINDA SEELEY**

TERM ENDS: MAY 2025

Linda is a nurse-midwife and OB/GYN nurse practitioner, having worked and lived in SLO County for the past 35 years. She is an advanced facilitator of the Work that Reconnects as developed by Joanna Macy, Ph.D. Linda serves as vice-president and spokesperson for San Luis Obispo Mothers for Peace, a member of the Sierra Club Nuclear-Free Core Team and is a founding member and officer of the local nonprofit Biodiversity First! She is particularly concerned about safer storage of the highly irradiated nuclear waste at Diablo Canyon. Linda strives to give voice to the community on issues of transparency and safe, timely decommissioning.

**MIRIAM SHAH**

TERM ENDS: MAY 2025

Mariam was born in Cleveland, Ohio. She attended the University of Michigan, double majoring in Spanish and American Culture. She has a law degree from the Georgetown University Law Center and spent seven years as a corporate litigator in New York City, Cleveland, Ohio, and Akron, Ohio, representing businesses of all sizes. In 2008, she and her husband and two children moved to SLO County and immediately decided the Central Coast was a great place to escape midwestern winters and to raise a family. After staying at home with her children for a few years, she ran for Grover Beach City Council in 2014. She ran for re-election in 2018 and was re-elected to the council for her second term. During her time on the council Mariam served on the executive committee of the Homeless Services Oversight Committee, the Air Pollution Control District, and the CA League of Cities. She also sits on the board of the Grover Beach Library and has been active with the Grover Heights PTA for several years, serving 3 years as president. After leaving political office to move to Arroyo Grande, she joined the board of the 5Cities Homeless Coalition. She is passionate about keeping the Central Coast accessible for families and people of all income levels.
MEET THE PANEL

DIABLO CANYON DECOMMISSIONING ENGAGEMENT PANEL

SCOTT LATHROP
EX-OFFICIO
As a 63-year native resident of San Luis Obispo, Scott comes to the Panel with ancestry roots in and around Diablo Canyon. As a Chumash Native American, Scott’s interest in the decommissioning project is to communicate the value of protecting cultural resources that are important to indigenous people from the region and to represent ratepayer and taxpayer interests regarding financial impacts. Scott has worked in county government, the private sector, and public schools, and currently serves as Assistant Superintendent, Business Services for a public school district. He is a California public schools certified Chief Business Officer and a licensed California class B general contractor. Scott has a BA degree in Industrial Technology and Education from Cal Poly, San Luis Obispo.

TREVOR KEITH
EX-OFFICIO
Trevor is a 21-year resident of the Central Coast and has interests in public health and safety, large land use changes, and economic impacts. Currently, Trevor is the Director of San Luis Obispo County Planning and Building Department and teaches at Cal Poly, San Luis Obispo. He has also served as County Division manager and environmental consultant. Trevor’s project experience has included large residential and commercial development, renewable energy generation, and Habitat Conservation Plans. He has coordinated all levels of California Environmental Quality Act and National Environmental Policy Act reviews and long-range planning efforts. Trevor holds a BS in Ecology and Systematic Biology and MA in City and Regional Planning.

MAUREEN ZAWALICK
PACIFIC GAS AND ELECTRIC COMPANY (PG&E) REPRESENTATIVE
Maureen and her family live in San Luis Obispo. Maureen has over 30 years’ experience in the utility and nuclear energy industry and is the Vice President of Decommissioning and Technical Services at Pacific Gas and Electric Company. She is responsible for regulatory strategies and compliance programs, enterprise and operational risk management, decommissioning, procurement and nuclear fuel management, cyber security, land and environmental stewardship, business planning, emergency preparedness, and academic partnerships. Maureen is chair of the Nuclear Energy Institute’s (NEI) Decommissioning Working Group and member of University of California, Los Angeles (UCLA) Dean of Engineering Corporate Advisory Board and California Polytechnic State University President’s Council of Advisors. She is also a member of NEI’s Risk-Informed Steering Committee, Regulatory Information Working Group, Women in Nuclear (WIN), and American Nuclear Society (ANS). Maureen has a degree in Nuclear Engineering from the University of Wisconsin.

CHUCK ANDERS
FACILITATOR
Chuck is a 20-year resident of the Central Coast and lives in Arroyo Grande. He has over thirty years of experience facilitating complex issues in public and private sectors and founded Strategic Initiatives in 1996 to assist organizations in achieving their goals. Chuck has designed and facilitated the successful outcome of numerous high-profile public engagement processes throughout California and the Southwest, including remediation strategies that protect public health and ecological resources in San Luis Obispo. Chuck is a professional engineer and past president of the San Luis Obispo County YMCA Board of Directors.
