Stay safe. Take action.

The threat of extreme weather and wildfires continues to grow. Create and practice a safety plan to protect you, your home or business.

Update your contact information

Visit [pge.com/mywildfirealerts](https://www.pge.com/mywildfirealerts) or call us at **1-866-743-6589**.

Keep a hard copy of emergency phone numbers on hand

Plan for any medical needs

Talk with your doctor and plan for medications that need refrigeration or medical devices that require power.

Build or restock your emergency supply kit

Stock supplies to last a week—include flashlights, fresh batteries, first aid supplies, food, water and cash.

Designate an emergency meeting location

Ensure any backup generators are ready to safely operate

Generator safety tips can be found at [pge.com/backupgeneration](https://www.pge.com/backupgeneration).

Note: While PG&E gas-only customers may not be impacted by a Public Safety Power Shutoff, it is important for everyone to be prepared for emergencies.
