Advice 4095-G/5536-E

(Pacific Gas and Electric Company ID U 39 M)

Public Utilities Commission of the State of California

Subject: Addition of Seven Counties Affected by the February 2019 Winter Storms to the Emergency Consumer Protection Plan in Compliance with Ordering Paragraph 2 of Decision 18-08-004.

Purpose

In compliance with Decision (D.)18-08-004, Pacific Gas and Electric Company (PG&E) is adding additional customers affected by the February 2019 winter storms to PG&E's Emergency Consumer Protection Plan, thereby making these customers eligible for the measures under this plan. The inclusion of these customers to PG&E's Emergency Consumer Protection Plan is in response to Governor Newsom's declarations of a state of emergency on April 12, 2019. The emergency proclamation was issued to the following communities within PG&E's service territory to assist in the recovery from the severe February storms: Butte, Colusa, Mariposa, Napa, Santa Cruz, Solano and Tuolumne Counties¹.

Background

PG&E established a series of billing and service modifications, and disaster relief to support customers recovering from the immediate aftermath of the October 2017 Northern California Wildfires.² The measures included in PG&E's Emergency Consumer Protection Plans were adopted in Advice 3914-G-A/5186-E-A, effective December 22, 2017 in compliance with California Public Utilities Commission (CPUC or Commission) Resolution M-4833, *Emergency Authorization and Order Directing Utilities to Implement Emergency Consumer Protections to Support Residential Customers of the October 2017 California Wildfires*.

On August 9, 2018, the Commission issued D.18-08-004 that affirms that the emergency customer protections adopted in Resolutions M-4833 and M-4835 to support

¹ Del Norte County was included in the state of emergency proclamation but is not within PG&E's service territory.

² Advice 5168-E and Advice 3914-G-A/5186-E-A

residential and small business customers of utilities affected by disasters and which affect utility service shall go into effect in the event of a state of emergency declared by the Governor of California. Ordering Paragraph (OP) 2 of D.18-08-004 requires that in the event the Governor of California declares a state of emergency, PG&E shall submit a Tier 1 Advice Letter within 15 days of the Governor's state of emergency proclamation reporting compliance with Resolutions M-4833 and M-4835 pursuant to this Decision.

On September 7, 2018, PG&E submitted Advice 4014-G/5378-E - *Expansion of Emergency Consumer Protection Plan to Support Residential and Non-Residential Customer Affected by Disasters in Compliance with D.18-08-004*, which the Commission approved on October 11, 2018.³ In Advice 4014-G/5378-E, PG&E extended the applicability of its Emergency Consumer Protection Plan to cover residential and non-residential customers in areas where a state of emergency proclamation is issued by the Governor of California due to a disaster that affects utility services. In addition, PG&E revised the Emergency Consumer Protection Plan to include all emergency consumer protection measures currently being provided to PG&E's customers during these times of hardships.

On February 21, 2019, Governor Newsom issued a state of emergency in counties across California due to winter storms. The emergency proclamation was issued to help communities respond to and recover from severe winter storms that have caused flooding, mudslides, erosion, power outages, and damage to critical infrastructure. The proclamation covers the following counties within PG&E's service territory: Calaveras, El Dorado, Humboldt, Marin, Mendocino, Monterey, San Mateo, Santa Barbara, Santa Clara, Shasta, Tehama, Trinity and Yolo counties.

On February 28, 2019, Governor Newsom issued a state of emergency for five additional counties to help communities respond to and recover from dangerous flooding, mudslides and damage to critical infrastructure due to severe storms. The proclamation covers the following counties within PG&E's service territory: Amador, Glenn, Lake, Mendocino and Sonoma counties.

On April 12, 2019, Governor Newsom issued a state of emergency, adding eight additional counties to help communities recover from severe February storms that caused widespread flooding, mudslides and damage to critical infrastructure. The proclamation covers the following counties: Butte, Colusa, Del Norte¹, Mariposa, Napa, Santa Cruz, Solano and Tuolumne counties.

In compliance with OP 2 of D.18-08-004, PG&E is seeking in this advice letter to extend the eligibility of PG&E's Emergency Consumer Protection Plan to include residential and non-residential⁴ customers affected by the February 2019 winter storms. Eligibility for

³ In its disposition letter, the Commission indicated an effective date of October 7, 2018.

⁴ Non-residential customers include any customer that is not residential (e.g. commercial, industrial, agricultural, etc.)

PG&E's Emergency Consumer Protection Plan will be extended to applicable customers in the affected counties for a period of one year commencing from the date the state of emergency proclamation was issued, or until PG&E service is restored⁵.
