**SIXTH AMENDMENT TO THE AGREEMENT BETWEEN
PACIFIC GAS AND ELECTRIC COMPANY AND DDB SAN FRANCISCO**

This Sixth Amendment to the October 17, 2016, Statewide Marketing Education and Outreach (Statewide) Program Agreement (Program Agreement) between Pacific Gas and Electric Company (PG&E) and DDB San Francisco, a division of DDB Worldwide Communications Group Inc. ("DDB-San Francisco", "Contractor" or "Implementer"), is made on _____ 2019 (the "Effective Date") and is subject to approval by the California Public Utilities Commission ("CPUC" or "Commission") of the Advice Letter filed by PG&E on or about _____, 2019.

All terms defined in the Program Agreement shall have the same meaning in this Sixth Amendment, unless otherwise stated.

WHEREAS:

- A. CPUC D.12-05-015, D.13-12-038, and D.16-09-020 provide the strategy and development requirements for the Statewide ME&O Program for the EUC Campaign. D.13-12-038 outlines the Statewide ME&O Program for the EUC Campaign governance structure and funding and specifically ordered that PG&E serve as fiscal agent. The CPUC is responsible for all other performance obligations of Implementer in the SOW and as the Commission directs pursuant to D.12-05-015, D.13-12-038, and D.16-09-020, and remains responsible for all other obligations to DDB San Francisco under the Program Agreement.
- B. Pursuant to D.16-09-020, PG&E and DDB San Francisco executed the Program Agreement for DDB San Francisco's services as Implementer of the Commission's EUC program on October 17, 2016. On October 17, 2016 PG&E submitted the Agreement, in the amount of [REDACTED] and with a Scope of Work for the Statewide ME&O Program for the EUC Campaign (ME&O EUC-SOW), to the CPUC's Energy Division (ED). The Program Agreement, which sets forth the terms, conditions and obligations of each party as it applies to this Amendment, was approved by the CPUC through its Energy Division on June 26, 2017.
- C. Program Agreement Amendment #1 affirmed that, subject to the applicable third-party rights, the investor-owned utilities (IOUs) shall own the deliverables produced under the Program Agreement and granted the CPUC unrestricted access and use rights to these deliverables for governmental and regulatory purposes.
- D. Program Agreement Amendment #2 expanded DDB San Francisco's services to include producing a Deliverable 1 for the Strategy and Content Development Work for the Statewide ME&O Residential Rate Reform Program (RRR Work). Amendment #2 also added funding in the amount of [REDACTED] to complete this Deliverable 1 per Commission decision D.17-12-023.
- E. Program Agreement Amendment #3, in the amount of [REDACTED] added a Deliverable 2 and Deliverable 3 to the RRR Work authorized in Amendment #2, with a cap amount of \$31.7 million based upon DDB San Francisco's RRR Work through September 30, 2019 as provided in D. 17-12-023.
- F. Program Agreement Amendment #4: i) extends the Agreement and its ME&O EUC SOW for DDB to serve as Implementer until December 31, 2021, ii) maintains the ME&O EUC Budget for the Extension Period at the current annual level plus an additional three months in 2021 (October, November, and December), and iii) allocates among the IOUs the ME&O EUC Budget used during the Extension Period according to the percentages approved by the Commission.

- G. Program Agreement Amendment #5 corrects an error in the budget allocation chart in the "Budget for Extension Period" section of the Fourth Amendment, Attachment #1. The chart showed a budget allocation of [REDACTED] for Marketing and Education during the extension period; the correct figure is [REDACTED]
- H. Program Agreement Amendment #6 extends the contract termination date towards the completion of the RRR Work Deliverable from September 30, 2019 to March 31, 2020 at the request of Energy Division staff per email of August 19, 2019, with no increase in the budget cap amount of \$31.7 million that was approved in Program Agreement Amendment #3 for RRR Work.
- I. To continue work towards the completion of Deliverables 1, 2, and 3 of the RRR Work, DDB shall continue to provide services through March 31, 2020.

Therefore, the Parties agree as follows:

- 1. Amendment #6 extends the contract termination date for Residential Rate Reform Work from September 30, 2019 to March 31, 2020.
- 2. To continue work towards the completion of Deliverables 1, 2, and 3 of the RRR Work, DDB shall continue to provide services through March 31, 2020.
- 3. Statements of Work pertaining to all Deliverables of the Strategy and Content Development Work for the Statewide ME&O Residential Rate Reform Program are unchanged by this amendment, as are any and all other Statements of Work under that Agreement.
- 4. The contract amount is unchanged by Amendment #6.
- 5. The larger EUC Energy Efficiency ME&O program budget during the Extension Period, including funds for Energy Division evaluation, measurement, and verification and the investor-owned utilities' administration; will continue to be allocated functionally according to the percentages adopted in Decision 13-12-038 and revised in Decision 16-09-020.
- 6. Unless expressly modified by this Sixth Amendment, the provisions of the Program Agreement and the first, second, third, fourth, and fifth Amendments remain in full force and effect.
- 7. This Sixth Amendment will be submitted as a Tier 1 Advice Letter by PG&E to the CPUC, and the effectiveness of the Sixth Amendment is subject to the express condition subsequent of approval of the Sixth Amendment by the CPUC.

IN WITNESS WHEREOF, this Sixth Amendment has been duly signed by the duly authorized representatives of the Parties hereto as of the Effective Date.
