**Advice 4305-G/5939-E**

(Pacific Gas and Electric Company ID U 39 M)

Public Utilities Commission of the State of California

**Subject: Addition of August 2020 Wildfires to the Emergency Consumer Protection Plan in Compliance with Decision 19-07-015.**

**Purpose**

In compliance with Decision (D.) 19-07-015, Pacific Gas and Electric Company (PG&E) is adding the customers impacted by the August 2020 Wildfires to PG&E's Emergency Consumer Protection Plan, thereby making these customers eligible for the measures under this plan. The inclusion of these customers to PG&E's Emergency Consumer Protection Plan is in response to Governor Newsom's statewide Proclamation of a State of Emergency on August 18, 2020 due to the extensive fires throughout California.

**Background**

PG&E established a series of billing and service modifications, and disaster relief to support customers recovering from the immediate aftermath of the October 2017 Northern California Wildfires.<sup>1</sup> The measures included in PG&E's Emergency Consumer Protection Plans were adopted in Advice 3914-G-A/5186-E-A, effective December 22, 2017 in compliance with California Public Utilities Commission (CPUC or Commission) Resolution M-4833, *Emergency Authorization and Order Directing Utilities to Implement Emergency Consumer Protections to Support Residential Customers of the October 2017 California Wildfires*.

On July 11, 2019, the Commission issued D.19-07-015 adopting emergency disaster relief program for utility customers. The emergency disaster relief program is designed to ensure that California utility customers who experience a housing or financial crisis due to a disaster, keep vital utility services and receive financial support in the wake of a disaster. Ordering Paragraph 2 of D.19-07-015 states that the utilities must submit a Tier 1 Advice Letter within 15 days of the Governor's or President of the United States' emergency proclamation reporting compliance with implementing the mandated emergency disaster relief customer protections and outreach activities.

<sup>1</sup> Advice 5168-E and Advice 3914-G-A/5186-E-A

On August 18, 2020, Governor Newsom issued a Proclamation of a State of Emergency due to statewide fires that have destroyed structures, threatened homes and critical infrastructure, and resulted in the evacuation of thousands of residents. The largest fires in PG&E's service area are the LNU, SCU, and CZU Lightning Complex Fires, which have collectively burned more than 800,000 acres.<sup>2</sup> In addition, some of the fires were active prior to the issuance of the Governor's Proclamation, impacting initial application of the consumer protections.<sup>3</sup>

In compliance with OP 2 of D.19-07-015, PG&E is seeking in this advice letter to extend the eligibility of PG&E's Emergency Consumer Protection Plan to include residential and small business<sup>4</sup> customers impacted<sup>5</sup> by the August 2020 wildfires. Eligibility for PG&E's Emergency Consumer Protection Plan will be extended to applicable customers for a period of one year commencing from the date the State of Emergency proclamation was issued (August 18, 2020).<sup>6</sup> In addition, to assist customers otherwise negatively impacted by the extreme heat, key consumer protections are already in place due to the COVID-19 pandemic protections provided for in Resolution M-4842.

### **Tariff Revisions**

PG&E proposes the following revisions to its gas and electric tariffs:

- **Electric Rule 1, *Definitions* –**
  - Extend definition for “Emergency Consumer Protection Plan” to include applicable customers impacted by the August 2020 wildfires.
- **Electric Preliminary Statement Part HG, *Emergency Consumer Protections Memorandum Account - Electric (ECPMA-E)* –**
  - Extend “Purpose” section to include applicable customers impacted by the August 2020 wildfires.

---

<sup>2</sup> As posted by CAL FIRE at <https://www.fire.ca.gov/incidents/>.

<sup>3</sup> For instance, the Stagecoach Fire started on August 3 and evacuation orders were lifted on August 12. Due to the timing of the evacuation order and Governor Newsom's proclamation on August 18, there is the potential that PG&E may not be able to stop estimated billing for these customers until the September bill cycle.

<sup>4</sup> Consistent with D.19-07-015, p. 55, Conclusion of Law 3, PG&E has defined “small businesses” in accordance with the utilities definition of ‘small business’ per Gas and Electric Rule 1.

<sup>5</sup> Impacted customers live within 2 miles of the fire-impacted perimeter as designated by CAL FIRE.

<sup>6</sup> Measures related to expedited service, rate selection and temporary service for red-tagged customers are available to impacted customers for a period of one year or until PG&E service is restored (once permanent electric or gas meter is installed/set).

- **Gas Rule 1, *Definitions* –**
  - Extend definition for “Emergency Consumer Protection Plan” to include applicable customers impacted by the August 2020 wildfires.
- **Gas Preliminary Statement Part EC, *Emergency Consumer Protections Memorandum Account - Gas (ECPMA-G)* –**
  - Extend “Purpose” section to include applicable customers impacted by the August 2020 wildfires.
