Advice 4311-G/5957-E

(Pacific Gas and Electric Company ID U 39 M)

Public Utilities Commission of the State of California

Subject: Addition of Creek Wildfire to the Emergency Consumer Protection Plan in Compliance with Decision 19-07-015.

Purpose

In compliance with Decision (D.) 19-07-015, Pacific Gas and Electric Company (PG&E) is adding the customers impacted by the Creek Fire in Fresno, Madera, and Mariposa Counties to PG&E's Emergency Consumer Protection Plan, thereby making these customers eligible for the measures under this plan. The inclusion of these customers to PG&E's Emergency Consumer Protection Plan is in response to Governor Newsom's declaration of a State of Emergency on September 6, 2020 for the Creek, El Dorado and Valley wildfires.¹

Background

PG&E established a series of billing and service modifications, and disaster relief to support customers recovering from the immediate aftermath of the October 2017 Northern California Wildfires.² The measures included in PG&E's Emergency Consumer Protection Plans were adopted in Advice 3914-G-A/5186-E-A, effective December 22, 2017 in compliance with California Public Utilities Commission (CPUC or Commission) Resolution M-4833, *Emergency Authorization and Order Directing Utilities to Implement Emergency Consumer Protections to Support Residential Customers of the October 2017 California Wildfires*.³

On July 11, 2019, the Commission issued D.19-07-015 adopting emergency disaster relief program for utility customers. The emergency disaster relief program is designed to

¹ The El Dorado and Valley wildfires are in Southern California and not within PG&E's service territory.

² Advice 5168-E and Advice 3914-G-A/5186-E-A

³ Pursuant to OP 24 of Decision 19-05-037, the bill payment arrangements measure under the Emergency Consumer Protection Plan is also extended to customers whose employment is impacted by wildfires.

ensure that California utility customers who experience a housing or financial crisis due to a disaster, keep vital utility services and receive financial support in the wake of a disaster. Ordering Paragraph 2 of D.19-07-015 states that the utilities must submit a Tier 1 Advice Letter within 15 days of the Governor's or President of the United States' emergency proclamation reporting compliance with implementing the mandated emergency disaster relief customer protections and outreach activities.

On September 6, 2020, Governor Newsom issued an Emergency Proclamation for the Creek Fire in Fresno, Madera, and Mariposa Counties; the El Dorado Fire in San Bernardino County; and the Valley Fire in San Diego County. These fires have destroyed homes and critical infrastructure and resulted in the evacuation of tens of thousands of residents.

In compliance with Ordering Paragraph (OP) 2 of D.19-07-015, PG&E is seeking in this advice letter to extend the eligibility of PG&E's Emergency Consumer Protection Plan to include residential and non-residential⁴ customers impacted⁵ ⁶ by the Creek Fire in Fresno, Madera, and Mariposa Counties. Eligibility for PG&E's Emergency Consumer Protection Plan will be extended to applicable customers for a period of one year commencing from the date the State of Emergency proclamation was issued (September 6, 2020).⁷ In addition, key consumer protections are already in place due to the COVID-19 pandemic protections provided for in Resolution M-4842⁸ for all residential and small business customers within PG&E's service territory.

Tariff Revisions

PG&E proposes the following revisions to its gas and electric tariffs:

- **Electric Rule 1, *Definitions* –**
 - Extend definition for “Emergency Consumer Protection Plan” to include applicable customers impacted by the September 2020 Creek wildfire in Fresno, Madera and Mariposa Counties.
- **Electric Preliminary Statement Part HG, *Emergency Consumer Protections Memorandum Account - Electric (ECPMA-E)* –**

⁴ Non-residential customers include any customer that is not residential (e.g. commercial, industrial, agricultural, etc.)

⁵ Impacted customers live within 2 miles of the fire-impacted perimeter as designated by CAL FIRE.

⁶

⁷ Measures related to expedited service, rate selection and temporary service for red-tagged customers are available to impacted customers for a period of one year or until PG&E service is restored (once permanent electric or gas meter is installed/set).

⁸ PG&E's Advice Letter 4244-G-B/5816-E-B

- Extend “Purpose” section to include applicable customers impacted by the September 2020 Creek Wildfire.
- **Gas Rule 1, *Definitions* –**
 - Extend definition for “Emergency Consumer Protection Plan” to include applicable customers impacted by the September 2020 Creek Wildfire in Fresno, Madera and Mariposa Counties.
- **Gas Preliminary Statement Part EC, *Emergency Consumer Protections Memorandum Account - Gas (ECPMA-G)* –**
 - Extend “Purpose” section to include applicable customers impacted by the September 2020 Creek Wildfire.
