Advice 6081-E

(Pacific Gas and Electric Company ID U 39 E)

Public Utilities Commission of the State of California

Subject: Information-Only – Notification of Search for New Investment Fund Managers in Compliance with Ordering Paragraph 10 of D.13-01-039

Purpose

This advice letter is submitted in compliance with Ordering Paragraph (OP) 10 of Decision (D.) 13-01-039, which requires Pacific Gas and Electric Company (PG&E) to inform the California Public Utilities Commission (Commission or CPUC) that it will undertake a search for a new investment fund manager.

Background

On January 24, 2013, the Commission issued D.13-01-039 in Phase 2 of the 2009 Nuclear Decommissioning Cost Triennial Proceeding (NDCTP). That decision directed each utility to submit an information-only Advice Letter (AL) to advise the Commission that it will undertake a search for a new investment fund manager. The utilities were also directed to serve a copy of the AL on each Commissioner and any member of the public who has made a written request to the utility for such notice.

PG&E hereby notifies the Commission that it intends to initiate manager searches in the fixed income and equity investment management areas.

The submittal would not increase any current rate or charge, cause the withdrawal of service or conflict with any rate schedule or rule.

Protests

This is an information-only advice letter submittal. Pursuant to General Order 96-B Section 6.2, PG&E is not seeking relief through this advice letter and it is not subject to protest.

Effective Date

PG&E requests this information-only advice letter be effective the day of submittal, February 5, 2021.

Notice

In accordance with General Order 96-B, Section IV, a copy of this advice letter is being sent electronically and via U.S. mail to parties shown on the attached list and the parties on the service list for A.09-04-007. Address changes to the General Order 96-B service list should be directed to PG&E at email address PGETariffs@pge.com. Advice letter submittals can also be accessed electronically at: <http://www.pge.com/tariffs/>.

As required by OP 10 of D.13-01-039, PG&E is also serving a copy of this AL on each of the CPUC Commissioners.
