**Advice 4383-G/6087-E**

(Pacific Gas and Electric Company ID U 39 M)

Public Utilities Commission of the State of California

**Subject: Addition of January 2021 Winter Storms to the Emergency Consumer Protection Plan in Compliance with Decision 19-07-015.**

**Purpose**

In compliance with Decision (D.)19-07-015, Pacific Gas and Electric Company (PG&E) is adding the customers impacted by the January 2021 Winter Storms in Monterey and San Luis Obispo Counties to PG&E's Emergency Consumer Protection Plan, thereby making these customers eligible for the measures under this plan. The inclusion of these customers to PG&E's Emergency Consumer Protection Plan is in response to Governor Newsom's declaration of a State of Emergency on January 29, 2021 for the January 2021 Winter Storms.

**Background**

PG&E established a series of billing and service modifications, and disaster relief to support customers recovering from the immediate aftermath of the October 2017 Northern California Wildfires.<sup>1</sup> The measures included in PG&E's Emergency Consumer Protection Plans were adopted in Advice 3914-G-A/5186-E-A, effective December 22, 2017 in compliance with California Public Utilities Commission (CPUC or Commission) Resolution M-4833, *Emergency Authorization and Order Directing Utilities to Implement Emergency Consumer Protections to Support Residential Customers of the October 2017 California Wildfires*.

On July 11, 2019, the Commission issued D.19-07-015 adopting emergency disaster relief program for utility customers. The emergency disaster relief program is designed to ensure that California utility customers who experience a housing or financial crisis due to a disaster, keep vital utility services and receive financial support in the wake of a disaster. Ordering Paragraph 2 of D.19-07-015 states that the utilities must submit a Tier 1 Advice Letter within 15 days of the Governor's or President of the United States'

---

<sup>1</sup> Advice 5168-E and Advice 3914-G-A/5186-E-A

emergency proclamation reporting compliance with implementing the mandated emergency disaster relief customer protections and outreach activities.

On January 29, 2021, Governor Newsom issued an Emergency Proclamation for Monterey and San Luis Obispo Counties due to winter storms that have threatened to cause mud and debris flows, forced the evacuation of thousands of residents and damaged critical infrastructure, including washing out a portion of Highway 1.

In compliance with OP 2 of D.19-07-015, PG&E is seeking in this advice letter to extend the eligibility of PG&E's Emergency Consumer Protection Plan to include residential and non-residential<sup>2</sup> customers impacted<sup>3,4</sup> by the January 2021 Winter Storms in Monterey and San Luis Obispo Counties. Eligibility for PG&E's Emergency Consumer Protection Plan will be extended to applicable customers for a period of one year commencing from the date the State of Emergency proclamation was issued (January 29, 2021)<sup>5</sup>. In addition, key consumer protections are already in place due to the COVID-19 pandemic protections provided for in Resolution M-4842<sup>6</sup> for all residential and small business customers within PG&E's service territory.

### **Tariff Revisions**

PG&E proposes the following revisions to its gas and electric tariffs:

- **Electric Rule 1, *Definitions* –**
  - Extend definition for “Emergency Consumer Protection Plan” to include applicable customers impacted by the January 2021 Winter Storms in Monterey and San Luis Obispo Counties.
- **Electric Preliminary Statement Part HG, *Emergency Consumer Protections Memorandum Account - Electric (ECPMA-E)* –**

---

<sup>2</sup> Non-residential customers include any customer that is not residential (e.g. commercial, industrial, agricultural, etc.)

<sup>3</sup> For these types of storm events, PG&E does not receive the same CalFIRE perimeter data that assists with identifying customer premises impacted by fires. PG&E attempts to identify impacted customers wherever possible and also extends protections to any customer that contacts PG&E and states that they have been impacted.

<sup>4</sup> Pursuant to OP-24 of Decision 19-05-037, the bill payment arrangements measure under the Emergency Consumer Protection Plan is also extended to customers whose employment is impacted by wildfires.

<sup>5</sup> Measures related to expedited service, rate selection and temporary service for red-tagged customers are available to impacted customers for a period of one year or until PG&E service is restored (once permanent electric or gas meter is installed/set).

<sup>6</sup> PG&E's Advice Letter 4244-G-B/5816-E-B

- Extend “Purpose” section to include applicable customers impacted by the January 2021 Winter Storms.
- Correct minor typographical errors.
- **Gas Rule 1, *Definitions* –**
  - Extend definition for “Emergency Consumer Protection Plan” to include applicable customers impacted by the January 2021 Winter Storms in Monterey and San Luis Obispo Counties.
- **Gas Preliminary Statement Part EC, *Emergency Consumer Protections Memorandum Account - Gas (ECPMA-G)* –**
