Advice 6195-E

(Pacific Gas and Electric Company U 39 E)

Public Utilities Commission of the State of California

Subject: Clean-Up of Electric Rule 9 - Rendering and Payment of Bills

Purpose

The purpose of this advice letter is to revise Electric Rule 9 in PG&E's tariff book to consolidate language that was approved in multiple advice letters.

Background

On September 9, 2020, PG&E submitted Advice 5943-E/4308-G - *Pacific Gas and Electric Company's Plan to Implement the Arrearage Management Program, Pursuant to D.20-06-003, Ordering Paragraph 83*. Included in this advice letter was the addition of the Arrearage Management Program (new Section G) starting on Sheet 4 of Electric Rule 9. PG&E received a disposition letter approving this advice letter effective December 17, 2020.

On November 19, 2020, PG&E submitted Advice 6008-E - *Eliminate Option A From Schedule E-TOU and Rename Tariff to Schedule E-TOU-B*. Included in this advice letter was the renaming of Schedule E-TOU-B on Sheet 4 under the Budget Billing Section of Electric Rule 9. PG&E received a disposition letter approving this advice letter effective December 31, 2020.

With this advice letter PG&E is consolidating tariff changes from Advice 5943-E/4308-G and Advice 6008-E to the current and effective Electric Rule 9.

Tariff Revisions:

- Reinsertion of the first part of the Arrearage Management Program description on Sheet 4 of Electric Rule 9 as approved in Advice 5943-E/4308-G.
- Renaming of reference to Schedule E-TOU to Schedule E-TOU-B in Budget Billing Section on Sheet 5 of Electric Rule 9 as approved in Advice 6008-E.

There are no addition revisions being requested other those previously approved in Advice 5943-E/4308-G and Advice 6008-E. The submittal will not increase any current rate or charge, cause the withdrawal of service, or conflict with any rate schedule or rule.

F. CLOSING BILL PAYABLE ON PRESENTATION

Closing bills are due upon presentation. Before service will be connected or reconnected, PG&E may require payment of all outstanding bills, including deposits, special bills or reconnection fees.

G. ARREARAGE MANAGEMENT PROGRAM

(N)

Residential customers¹ may be eligible to participate in an Arrearage Management Program (AMP) if they are enrolled in the California Alternate Rates for Energy (CARE) or Family Electric Rate Assistance (FERA) program, have been a customer for a minimum of six months, made at least one on-time payment of their current charges in full within the most recent 24 months, and have a total balance of at least \$500, any of which is 90 days or more in arrears.

Both bundled and unbundled customers may participate.² Eligible AMP arrearages include PG&E charges and may include Community Choice Aggregator (CCA) charges and/or Direct Access (DA) provider charges if the CCA or DA provider has elected to participate in the AMP. Other charges such as on-bill financing and other non-energy usage charges are not eligible.

This plan is detailed as follows:

1. A Customer can join the plan in any month of the year. A Customer currently on a payment plan may voluntarily switch to the AMP if they become eligible.
2. Once enrolled, PG&E shall forgive 1/12 of a participating Customer's eligible arrearage after each on-time payment. PG&E will forgive the participating Customer's eligible arrearage (up to \$8,000) after 12 on-time payments. Customers may request at the time of AMP enrollment that the monthly payments be levelized for the 12 months of the program.
3. If a customer receives Low-Income Home Energy Assistance Program assistance, that assistance will be applied to the participant's monthly bills, not the AMP eligible arrearage.

(N)

¹ Net-energy metered customers are not currently eligible to participate in the program.

(N)

² Each third-party service provider must inform PG&E within 45 days of PG&E's AMP proposal submittal date of September 9, 2020, that they elect to participate in the initial roll out of the AMP. If third-party service providers decide to participate at a later date, they should provide PG&E with at least 45 days advance notice.

G. ARREARAGE MANAGEMENT PROGRAM (Cont'd.)

4. A participating Customer may miss up to two non-sequential payments and remain in the program if they make up the payment on the next billing due date with an on-time payment of both the current and missed payments.
5. A customer that misses two sequential payments will be removed from the program.
6. If a participating Customer is removed from the program because they do not comply with the program rules or otherwise elect to no longer participate before reaching 12 on-time payments, there will be no impact on the 1/12 debt forgiven for previous on-time AMP payments.
7. A participating Customer must wait 12 months to re-enroll in the AMP after they (1) complete the program or (2) leave the program because they are removed or elect to no longer participate. The 12-month waiting period begins the first month after the participating Customer completes the program or leaves the program because they are removed or elect to no longer participate.

H. BUDGET BILLING

Qualifying California Alternate Rates for Energy (CARE) customers taking service on the above rate schedules in conjunction with Schedule D-CARE may also elect to participate in the Budget Billing plan. This plan is detailed as follows:

(T)

1. A Customer can join the plan in any month of the year. The plan will remain in effect until it is terminated by PG&E or the customer.
2. Participation is subject to approval by PG&E.
3. Meters will be read and billed at regular intervals.
4. Customers will be expected to pay the Budget Billing amount shown due.
5. The Budget Billing amount will be one-twelfth of the annual bill as estimated by PG&E, based on the customer's historical billings for the most recent year at the time of the calculation, or, if that is not available, the usage pattern of either the premises comparable customers similarly situated.
