Advice 4486-G/6321-E

(Pacific Gas and Electric Company ID U 39 M)

Public Utilities Commission of the State of California

Subject: Revisions to Emergency Consumer Protection Plan for the Dixie, River and Caldor Fires in Compliance with Decision 19-07-015.

Purpose

In compliance with OP 2 of D.19-07-015, PG&E is seeking in this advice letter to extend the eligibility of PG&E's Emergency Consumer Protection Plan to include impacted residential and non-residential¹ customers^{2,3} as described below:

- Extending the expiration of emergency consumer protections for customers impacted by the Dixie and River Fires in Lassen, Nevada, Placer, and Plumas Counties to reflect the Presidential Major Disaster Declaration issued on August 24, 2021.
- Extending the expiration of emergency consumer protections for customers impacted by the Caldor Fire in Alpine, Amador, El Dorado, and Placer Counties to reflect the Presidential Major Disaster Declaration issued on September 1, 2021. Currently only PG&E customers in El Dorado County are being impacted by the Caldor Wildfire within PG&E's service territory. Should the wildfire spread into PG&E service territory in the other counties, PG&E will extend the provisions of the Emergency Consumer Protection Plan to the impacted customers in those areas.

¹ Non-residential customers include any customer that is not residential (e.g. commercial, industrial, agricultural, etc.)

² Impacted customers live within 2 miles of the fire-impacted perimeter as designated by CAL FIRE.

³ Pursuant to OP-24 of Decision 19-05-037, the bill payment arrangements measure under the Emergency Consumer Protection Plan is also extended to customers whose employment is impacted by wildfires.

Background

PG&E established a series of billing and service modifications, and disaster relief to support customers recovering from the immediate aftermath of the October 2017 Northern California Wildfires.⁴ The measures included in PG&E's Emergency Consumer Protection Plans were adopted in Advice 3914-G-A/5186-E-A, effective December 22, 2017 in compliance with California Public Utilities Commission (CPUC or Commission) Resolution M-4833, *Emergency Authorization and Order Directing Utilities to Implement Emergency Consumer Protections to Support Residential Customers of the October 2017 California Wildfires*.

On July 11, 2019, the Commission issued D.19-07-015 adopting an emergency disaster relief program for utility customers. The emergency disaster relief program is designed to ensure that California utility customers who experience a housing or financial crisis due to a disaster, keep vital utility services and receive financial support in the wake of a disaster. Ordering Paragraph (OP) 2 of D.19-07-015 states that the utilities must submit a Tier 1 Advice Letter within 15 days of the Governor's or President of the United States' emergency proclamation reporting compliance with implementing the mandated emergency disaster relief customer protections and outreach activities.

In August 2021, Governor Newsom issued Emergency proclamations for the following wildfires:

- August 5, 2021: Siskiyou County due to the Antelope Fire, Nevada and Placer Counties due to the River Fire.
- August 10, 2021: Trinity, Tehama, and Shasta Counties due to the McFarland, Monument, and Dixie Fires.
- August 17, 2021: El Dorado County due to the Caldor Wildfire

On August 5, 2021, PG&E submitted Advice 4478-G/6302-E to add customers impacted in Siskiyou County due to Antelope Wildfire; Nevada and Placer Counties due to River Wildfire; Trinity, Tehama, and Shasta Counties due to the McFarland, Monument and Dixie Wildfires; and El Dorado County due to the Caldor Wildfire to PG&E's Emergency Consumer Protection Plan.

On August 24, 2021 the White House issued a Presidential Major Disaster Declaration to bolster the ongoing emergency response to wildfires and to support impacted communities in Lassen, Nevada, Placer and Plumas Counties in response to the Dixie and River Fires.

On September 1, 2021, the White House issued a Presidential Major Declaration to support impacted communities in Alpine, Amador, El Dorado, and Placer Counties in response to the Caldor Fire. Currently only PG&E customers in El Dorado County are

⁴ Advice 5168-E and Advice 3914-G-A/5186-E-A

being impacted by the Caldor Wildfire within PG&E's service territory. Should the wildfire spread into PG&E service territory in the other counties, PG&E will extend the provisions of the Emergency Consumer Protection Plan to the impacted customers in those areas.

Tariff Revisions

PG&E proposes the following revisions to its gas and electric tariffs:

- **Gas Rule 1, *Definitions*** –
 - Add footnote to River and Dixie Wildfire listing to extend Emergency Consumer Protections to align with the Presidential Major Disaster Declaration issued on August 24, 2021.
 - Add footnote to Caldor Wildfire listing to extend Emergency Consumer Protections to align with the Presidential Major Disaster Declaration issued on September 1, 2021.
- **Electric Rule 1, *Definitions*** –
 - Add footnote to River and Dixie Wildfire listing to extend Emergency Consumer Protections to align with the Presidential Major Disaster Declaration issued on August 24, 2021.
 - Add footnote to Caldor Wildfire listing to extend Emergency Consumer Protections to align with the Presidential Major Disaster Declaration issued on September 1, 2021.
