Advice 4493-G/6339-E

(Pacific Gas and Electric Company ID U 39 M)

Public Utilities Commission of the State of California

Subject: Addition of Cache Wildfire to the Emergency Consumer Protection Plan in Compliance with Decision 19-07-015.

Purpose

In compliance with Decision (D.) 19-07-015, Pacific Gas and Electric Company (PG&E) is adding the customers impacted in Lake County due to the Cache Wildfire to PG&E's Emergency Consumer Protection Plan, thereby making these customers eligible for the measures under this plan. The inclusion of these customers to PG&E's Emergency Consumer Protection Plan is in response to Governor Newsom's declaration of a State of Emergency on September 7, 2021.

Background

PG&E established a series of billing and service modifications, and disaster relief to support customers recovering from the immediate aftermath of the October 2017 Northern California Wildfires.¹ The measures included in PG&E's Emergency Consumer Protection Plans were adopted in Advice 3914-G-A/5186-E-A, effective December 22, 2017 in compliance with California Public Utilities Commission (CPUC or Commission) Resolution M-4833, *Emergency Authorization and Order Directing Utilities to Implement Emergency Consumer Protections to Support Residential Customers of the October 2017 California Wildfires*.

On July 11, 2019, the Commission issued D.19-07-015 adopting emergency disaster relief program for utility customers. The emergency disaster relief program is designed to ensure that California utility customers who experience a housing or financial crisis due to a disaster, keep vital utility services and receive financial support in the wake of a disaster. Ordering Paragraph (OP) 2 of D.19-07-015 states that the utilities must submit a Tier 1 Advice Letter within 15 days of the Governor's or President of the United States'

¹ Advice 5168-E and Advice 3914-G-A/5186-E-A

emergency proclamation reporting compliance with implementing the mandated emergency disaster relief customer protections and outreach activities.

On September 7, 2021, Governor Newsom issued an Emergency Proclamation for the Cache Fire in Lake County.

In compliance with OP 2 of D.19-07-015, PG&E is seeking in this advice letter to extend the eligibility of PG&E's Emergency Consumer Protection Plan to include residential and non-residential² customers impacted^{3,4} in Lake County due to the Cache Wildfire. Eligibility for PG&E's Emergency Consumer Protection Plan will be extended to applicable customers for a period of one year commencing from the respective date the State of Emergency Proclamation was issued on September 7, 2021.⁵

Tariff Revisions

PG&E proposes the following revisions to its gas and electric tariffs:

- **Gas Rule 1, *Definitions*** –
 - Extend definition for “Emergency Consumer Protection Plan” to include applicable customers impacted in Lake County due to the Cache Wildfire.
- **Gas Preliminary Statement Part EC, *Emergency Consumer Protections Memorandum Account - Gas (ECPMA-G)*** –
 - Extend “Purpose” section to include applicable customers impacted in Lake County due to the Cache Wildfire
- **Electric Rule 1, *Definitions*** –
 - Extend definition for “Emergency Consumer Protection Plan” to include applicable customers impacted in Lake County due to the Cache Wildfire,

² Non-residential customers include any customer that is not residential (e.g. commercial, industrial, agricultural, etc.)

³ Impacted customers live within 2 miles of the fire-impacted perimeter as designated by CAL FIRE.

⁴ Pursuant to OP-24 of Decision 19-05-037, the bill payment arrangements measure under the Emergency Consumer Protection Plan is also extended to customers whose employment is impacted by wildfires.

⁵ Measures related to expedited service, rate selection and temporary service for red-tagged customers are available to impacted customers for a period of one year or until PG&E service is restored (once permanent electric or gas meter is installed/set).

- **Electric Preliminary Statement Part HG, *Emergency Consumer Protections Memorandum Account - Electric (ECPMA-E)* –**
 - Extend “Purpose” section to include applicable customers impacted in Lake County due to the Cache Wildfire
