Advice 6517-E-A
(Pacific Gas and Electric Company U 39 E)

Public Utilities Commission of the State of California

Subject: Supplemental: Tier 2 Advice Letter of Pacific Gas and Electric Company Requesting Approval of Voluntary Allocation Contract for Power Charge Indifference Adjustment Eligible Renewables Portfolio Standard Resources

Purpose

Pacific Gas and Electric Company (“PG&E”) submits this supplemental advice letter to provide changes to the Voluntary Allocation contract (“VA Contract”) as originally submitted in Advice Letter (“AL”) 6517-E submitted on February 28, 2022 in compliance with Decision (“D.”) 22-01-004. The proposed changes are made to address the California Community Choice Association (“CalCCA”) protest to AL 6517-E filed on March 21, 2022.

While the VA Contract is being changed in this supplemental advice letter, the rest of AL 6517-E remains unchanged.

Background

On February 28, 2022, PG&E submitted AL 6517-E in compliance with Ordering Paragraph 6 of D.22-01-004, which required PG&E to submit a Tier 2 advice letter proposing a Voluntary Allocation of Power Charge Indifference Adjustment (“PCIA”) eligible renewables portfolio standard (“RPS”) resource pro forma contract within 10 days of submission of its Final 2021 RPS Procurement Plan (“RPS Plan”). On March 21, 2022, the Alliance for Retail Energy Markets (“AReM”) and the CalCCA each protested PG&E’s AL. CalCCA’s protest included several recommendations for changes to the VA Contract. On March 28, 2022, PG&E replied to the AReM and CalCCA protests, indicating that PG&E can accommodate certain of the CalCCA recommendations through revisions to its proposed VA Contract.

Voluntary Allocation Contract

PG&E's proposed updated VA Contract is provided as Attachment 1 to this AL. A redline of the updated VA Contract to the contract filed on February 28, 2022 is included as Attachment 2. Below is a summary of the changes:

CalCCA Recommendation	Updated VA Contract
Permit Load Serving Entities ("LSEs") to take an entire slice of the portfolio, including the ability to take short-term volumes from long-term resources.	Product definition has been redefined to incorporate Energy and Renewable Energy Credits from both the short-term and long-term resource pools. LSEs may elect to take short-term deliveries from the short-term resource pool and/or long-term resource pool, and long-term deliveries from the long-term resource pool.
Require notice provisions for changes to resource pools.	PG&E will provide notice of any changes to the resource pool as soon as reasonably practicable, provided that expiry of a power purchase agreement already identified in the VA Contract will not require such notice.
Limit PG&E's ability to remove a resource from the resource pool if it is no longer PCIA eligible.	Include clarification that PG&E can remove the resource from the resource pool if it is no longer PCIA eligible due to an order or direction from a governmental authority or governmental entity.

Protest

PG&E asks that the Commission, pursuant to GO 96-B, General Rule 7.5.1, maintain the original protest and comment period designated in AL 6517-E and not reopen the protest period.

Effective Date

Pursuant to General Order (GO) 96-B, Rule 5.2, and OP 6 of D.22-01-004, this AL is submitted with a Tier 2 designation which is the same tier designation of the original AL 6517-E. AL 6517-E was suspended for a period up to 120 days, therefore there is no need to extend the effective date. The effective date of AL 6517-E remains suspended until disposition by Energy Division.

In accordance with General Order 96-B, Section IV, a copy of this advice letter is being sent electronically to parties shown on the attached list and the parties on the service list

**MASTER POWER PURCHASE AND SALE AGREEMENT
RENEWABLES PORTFOLIO STANDARD ENERGY ALLOCATION
CONFIRMATION LETTER
BETWEEN
[NAME] (“PARTY A”)
AND
PACIFIC GAS AND ELECTRIC COMPANY (“PARTY B”)**

This confirmation letter (“Confirmation”) confirms the Transaction between [Name, place of formation, and type of entity] (“Party A” or “Buyer”), and Pacific Gas and Electric Company, a California corporation, (“Party B” or “Seller”), each individually a “Party” and together the “Parties”, which becomes effective on the date fully executed by both Parties (the “Confirmation Effective Date”), in which Seller agrees to provide to Buyer Product, as such term is defined in this Confirmation. This Transaction is governed by the Master Power Purchase and Sale Agreement between the Parties, effective as of [Date of EEI Master between Parties], together with the Cover Sheet, [the Collateral Annex and Paragraph 10 to the Collateral Annex,] and any other annexes thereto (collectively, as amended, restated, supplemented, or otherwise modified from time to time, the “Master Agreement”). The Master Agreement and this Confirmation are collectively referred to herein as the “Agreement”. Capitalized terms used but not otherwise defined in this Confirmation, have the meanings specified for such terms in the Master Agreement, the RPS (defined herein) or the Tariff (defined herein), as applicable. If there is a conflict between the terms in this Confirmation and those in the Master Agreement, this Confirmation shall control. Section references herein are to this Confirmation unless otherwise noted.

[Standard contract terms and conditions shown in shaded text are those that “may not be modified” per CPUC Decisions (“D.”) 07-11-025; D.10-03-021, as modified by D.11-01-025; and D.13-11-024.]

**ARTICLE 1
PRODUCT**

1.1 Product. “Product” means (a) all RPS Energy and Green Attributes generated and associated with the non-Greengate Resources in the Resource Pools, and (b) all Green Attributes associated with the Greengate Resources in the Resource Pools. During the Delivery Period, Seller shall provide Buyer Product equal to the Total Allocation Amount.

1.2 Buyer’s Exclusive Right. Buyer has exclusive right to Product for the Total Allocation Amount, including the right to account for or report Product equal to the Total Allocation Amount to a Governmental Entity.

**ARTICLE 2
TOTAL ALLOCATION AMOUNT**

2.1 Total Allocation Amount. “Total Allocation Amount” means the sum of the Total Short-Term Allocation Amount and the Total Long-Term Allocation Amount.

2.2 Total Short-Term Allocation Amount. The “Total Short-Term Allocation Amount” is the sum of all Monthly Short-Term Allocation Amounts in the Delivery Period. For every month in the Delivery Period, the “Monthly Short-Term Allocation Amount” will be the sum of all PCIA Short-Term Allocation Amounts in the month, where a “PCIA Short-Term Allocation Amount” will be calculated for every PCIA vintage applicable to Buyer as the sum of (a) the product of (i) Short-Term A Allocation Election, multiplied by (ii) Allocation Share for the applicable PCIA vintage, multiplied by (iii) the difference between (x) total RPS Energy for that month for every Resource in the Short-Term Resource Pool with the corresponding PCIA vintage, minus (y) any applicable Third Party Sales, plus (b) the product of (i) Short-Term B Allocation Election, multiplied by (ii) Allocation Share for the applicable PCIA vintage, multiplied by (iii) the difference between (x) total RPS Energy for that month for every Resource in the Long-Term Resource Pool with the corresponding PCIA vintage, minus (y) any applicable Third Party Sales.

2.3 Total Long-Term Allocation Amount. The “Total Long-Term Allocation Amount” is the sum of all Monthly Long-Term Allocation Amounts in the Delivery Period. For every month in the Delivery Period, the “Monthly Long-Term Allocation Amount” for a month will be the sum of all PCIA Long-Term Allocation Amounts in the month, where a “PCIA Long-Term Allocation Amount” will be calculated for every PCIA vintage applicable to Buyer as the product of (i) Long-Term Allocation Election, multiplied by (ii) Allocation Share for the applicable PCIA vintage, multiplied by (iii) the difference between (x) total RPS Energy for that month for every Resource in the Long-Term Resource Pool with the corresponding PCIA vintage, minus (y) any applicable Third Party Sales.

2.4 Allocation Election. The “Short-Term A Allocation Election,” “Short-Term B Allocation Election,” and “Long-Term Allocation Election” are the percentages specified in the table below and must be denoted in ten (10) percent increments. The sum of the Short-Term B Allocation Election and Long-Term Allocation Election must be equal to or less than one hundred percent (100%).

Product	Allocation Election
Short-Term A	[Buyer to fill in] %
Short-Term B	[Buyer to fill in] %
Long-Term	[Buyer to fill in] %

2.5 Change in Resource Pools. Seller may remove a Resource from the Resource Pools for the following reasons: (i) if Seller’s power purchase agreement corresponding to the Resource has expired or is terminated, (ii) if the Resource is no longer in Seller’s PCIA-eligible portfolio due to an order or direction from a Governmental Authority or Governmental Entity, or (iii) if the Resource is owned by Seller but ceases operation for Seller. Seller may add Resources to the Resource Pools in the following ways: (a) Seller may add Resources with PCIA vintages corresponding to the PCIA vintages where Buyer has an Allocation Share, or (b) Seller may add Resources from Customer Programs listed in Appendix D. With the exception of expirations of Seller’s power purchase agreements listed in Appendix B, Appendix C, and Appendix D, Seller will provide Notice to Buyer identifying the facility or facilities that constitute the Resources being removed or added to the Resource Pools as soon as reasonably practicable. Seller shall retain the sole and absolute discretion to modify, enforce, or terminate its power purchase

agreements for Resources during the Delivery Period. Buyer shall not have any right to or discretion to request changes to the Resources or the Resource Pools during the Delivery Period.

2.6 Third Party Sales. From the Confirmation Effective Date throughout the Delivery Period, Seller shall have the right to sell all or any portion of Product to a third party (“Third Party Sale”). The amount of Third Party Sales will be incorporated in the calculation of the Monthly Short-Term Allocation Amount and Monthly Long-Term Allocation Amount for the applicable month in accordance with Article 2.

ARTICLE 3 **DELIVERY**

3.1 Delivery. Throughout the Delivery Period, Seller shall deliver, and Buyer shall receive, Product in accordance with the Confirmation. Seller, or a qualified third party designated by Seller, will act as Scheduling Coordinator to deliver Product in each hour to the CAISO at the Delivery Point. Buyer shall take title and risk of loss of Product at the applicable Delivery Point selected by Seller.

3.2 Delivery Point. The “Delivery Point” is and shall mean where Seller, or a qualified third party designated by Seller, shall deliver to, and Buyer shall take possession of, Product, which shall be NP 15, SP 15, and/or ZP 26, as selected by Seller, except for Product from Greengate Resources, which will be conveyed in accordance with Article 4.

3.3 Delivery Period. The “Delivery Period” shall commence on January 1, 2023 and last through and until (a) December 31, 2024 for deliveries of the Short-Term Allocation Amount and/or (b) the Long-Term End Date for deliveries of the Long-Term Allocation Amount; provided that with regards to the Green Attributes portion of Product, the Delivery Period shall last through and until that date upon which the amount of Green Attributes conveyed to Buyer meets the Total Allocation Amount. The Long-Term End Date will be determined by comparing the end dates of all power purchase agreements for Resources in the Long-Term Resource Pool with a PCIA vintage applicable to Buyer, and the latest end date will be the “Long-Term End Date.”

ARTICLE 4 **CONVEYANCE OF GREEN ATTRIBUTES**

4.1 Green Attributes. Seller represents and warrants that Seller holds the rights to such Green Attributes from the Resources in the Resource Pools and Seller agrees to convey such Green Attributes to Buyer as included in the delivery of Product from the Resources in the Resource Pools subject to the terms and conditions of this Agreement.

4.2 Conveyance of Green Attributes. Seller shall convey to Buyer the Green Attributes associated with Product no later than twenty-five (25) Business Days once the following have occurred: (a) Seller has obtained the WREGIS Certificates for the Green Attributes for the applicable Calculation Period or calendar year and (b) Seller has received Buyer’s payment of the Monthly Cash Settlement Amount in accordance with Article 5 herein. Since WREGIS Certificates will only be created for whole MWh amounts of RPS Energy generated, any fractional MWh amounts (i.e., kWh) will be carried forward until sufficient generation is accumulated for the creation of a WREGIS Certificate. During the Delivery Period, Seller shall

transfer all right, title, and interest in and to the WREGIS Certificates to Buyer's WREGIS account in an aggregate amount equivalent to the Total Allocation Amount.

4.3 WREGIS Certificate True-Up. A "WREGIS Certificate True-Up" means any deficit or surplus in WREGIS Certificates delivered to Buyer for a calendar month as compared to the sum of the (a) Monthly Short-Term Allocation Amount, plus (b) the Monthly Long-Term Allocation Amount for the same calendar month ("True-Up Month"). Any adjustments to resolve a WREGIS Certificate True-Up will be made as an adjustment on Seller's monthly invoice to Buyer in accordance with Article 5, provided that no adjustments will be made for any WREGIS Certificate True-Up after twenty-four (24) months from the True-Up Month.

ARTICLE 5 **COMPENSATION**

5.1 Calculation Period. The "Calculation Period" shall be each calendar month or portion thereof that Delivery was conveyed to Buyer.

5.2 Monthly Cash Settlement Amount. Buyer shall pay Seller the Monthly Cash Settlement Amount, in arrears, for each Calculation Period.

The "Monthly Cash Settlement Amount" for a particular Calculation Period shall be equal to (a) plus (b) minus (c), where:

(a) equals the product of the (i) Index Price multiplied by (ii) the sum of (x) Monthly Short-Term Allocation Amount, plus (y) Monthly Long-Term Allocation Amount; and

(b) equals the product of (i) either (x) the forecasted RPS MPB for the applicable year, or (y) if available, the final RPS MPB for the applicable year, multiplied by (ii) the sum of (a) Monthly Short-Term Allocation Amount, plus (b) Monthly Long-Term Allocation Amount; and

(c) equals the product of the (i) Index Price multiplied by (ii) the sum of (x) Monthly Short-Term Allocation Amount, plus (y) Monthly Long-Term Allocation Amount.

5.3 Annual Cash Settlement Amount. By March 31 of each calendar year, Seller will perform a true-up process for every Monthly Cash Settlement Amount from the previous year ("Annual Cash Settlement Amount"), where Seller will recalculate every Monthly Cash Settlement Amount from the prior calendar year that used the forecasted RPS MPB to instead use the final RPS MPB in congruence with Section 5.2.

(a) If, after determination of the Annual Cash Settlement Amount, Buyer owes Seller, Seller will invoice Buyer on the next monthly invoice.

(b) If, after determination of the Annual Cash Settlement Amount, Seller owes Buyer, Seller shall credit Buyer within each future monthly invoice until the Annual Cash Settlement Amount is paid. If Seller owes Buyer and there are no remaining Calculation

Periods, Seller shall pay Buyer the remaining Annual Cash Settlement Amount balance on the last monthly invoice.

5.4 Payment. Notwithstanding anything to the contrary in Article Six of the Master Agreement, Buyer shall pay Seller the Monthly Cash Settlement Amount four (4) calendar months following the applicable Calculation Period and on or before the later of: (a) the twenty-fifth (25th) day of the month in which Buyer receives from Seller an invoice for the Calculation Period to which the Monthly Cash Settlement Amount pertains, or (b) within fifteen (15) days following receipt of an invoice issued by Seller for such applicable Calculation Period, provided that if such payment due date is not a Business Day, then on the next Business Day. This provision shall survive termination or expiration of the Agreement for all amounts due prior to such termination or expiration.

ARTICLE 6 **CREDIT TERMS**

The credit and collateral terms set forth in the Master Agreement shall not apply to either Party to this Confirmation.

ARTICLE 7 **SELLER'S REPRESENTATIONS, WARRANTIES, AND COVENANTS**

7.1 Seller Representations and Warranties. Seller, and, if applicable, its successors, represents and warrants that throughout the Delivery Term of this Agreement that: (i) the Project qualifies and is certified by the CEC as an Eligible Renewable Energy Resource ("ERR") as such term is defined in Public Utilities Code Section 399.12 or Section 399.16; and (ii) the Project's output delivered to Buyer qualifies under the requirements of the California Renewables Portfolio Standard. To the extent a change in law occurs after execution of this Agreement that causes this representation and warranty to be materially false or misleading, it shall not be an Event of Default if Seller has used commercially reasonable efforts to comply with such change in law.

(a) For the avoidance of doubt, the term "Project" as used in the immediately preceding paragraph means Resources in the Resource Pool, and the phrase "Delivery Term" means the Delivery Period.

7.2 Seller and, if applicable, its successors, represents and warrants that throughout the Delivery Term of this Agreement the Renewable Energy Credits transferred to Buyer conform to the definition and attributes required for compliance with the California Renewables Portfolio Standard, as set forth in California Public Utilities Commission Decision 08-08-028, and as may be modified by subsequent decision of the California Public Utilities Commission or by subsequent legislation. To the extent a change in law occurs after execution of this Agreement that causes this representation and warranty to be materially false or misleading, it shall not be an Event of Default if Seller has used commercially reasonable efforts to comply with such change in law.

(a) For the avoidance of doubt, the phrase "Delivery Term" as used in the immediately preceding paragraph means the Delivery Period.

7.3 Seller warrants that all necessary steps to allow the Renewable Energy Credits transferred to Buyer to be tracked in the Western Renewable Energy Generation Information System will be taken prior to the first delivery under the contract.

(a) For the avoidance of doubt, the term “contract” as used in the immediately preceding paragraph means this Confirmation, and the phrase “first delivery” means the first date of the Delivery Period.

7.4 In addition to the foregoing, Seller warrants, represents and covenants, as of the Confirmation Effective Date and throughout the Delivery Period, that:

(a) Seller has the contractual rights to sell all right, title, and interest in Product required to be delivered hereunder;

(b) at the time of delivery, all rights, title, and interest in Product required to be delivered hereunder are free and clear of all liens, taxes, claims, security interests, or other encumbrances of any kind whatsoever;

(c) Seller shall not substitute or purchase any Product from any generating resource other than the Resources in the Resource Pools hereunder; and

(d) the facility(s) designated by Seller as the Resources in the Resource Pools and all electrical output from the facility(s) designated as the Resources in the Resource Pools are, or will be, by the first date of the Delivery Period, registered with WREGIS as RPS-eligible.

ARTICLE 8

TERMINATION AND CALCULATION OF TERMINATION PAYMENT

In the event this Transaction becomes a Terminated Transaction pursuant to Section 5.2 of the Master Agreement, then the Settlement Amount with respect to this Transaction shall not be calculated in accordance with the Master Agreement, but instead shall be calculated as follows:

The Non-Defaulting Party shall determine its Gains and Losses by determining the Market Quotation Average Price for the Terminated Transaction. In the event the Non-Defaulting Party is not able, after commercially reasonable efforts, to obtain the Market Quotation Average Price with respect to the Terminated Transaction, then the Non-Defaulting Party shall calculate its Gains and Losses for the Terminated Transaction in a commercially reasonable manner by calculating the arithmetic mean of the quotes of at least three (3) Broker or Index Quotes based on the offers to sell or bids to buy, as applicable, obtained for transactions substantially similar to the Terminated Transaction. Such Broker or Index Quotes must be obtained assuming that the Party obtaining the quote will provide sufficient credit support for the proposed transaction. In the event the Non-Defaulting Party is not able, after commercially reasonable efforts to obtain at least three (3) such Broker or Index Quotes with respect to the Terminated Transaction, then the Non-Defaulting Party shall calculate its Gains and Losses for such Terminated Transaction in a commercially reasonable manner by reference to information supplied to it by one or more third parties including, without limitation, quotations (either firm or indicative) of relevant rates, prices, yields, yield curves, volatilities, spreads or other relevant market data in the relevant markets.

Third parties supplying such information may include, without limitation, dealers in the relevant markets, end-users of the relevant product, information vendors and other sources of market information; provided, however, that such third parties shall not be Affiliates of either Party. Only in the event the Non-Defaulting Party is not able, after using commercially reasonable efforts, to obtain such third-party information, then the Non-Defaulting Party shall calculate its Gains and Losses for such Terminated Transaction in a commercially reasonable manner using relevant market data it has available to it internally. If the Non-Defaulting Party's aggregate Gains exceed its aggregate Losses and Costs, if any, resulting from the termination of this Transaction, the Settlement Amount for this Transaction will be zero.

ARTICLE 9

GENERAL PROVISIONS

9.1 Buyer Audit Rights. In addition to any audit rights provided under the Master Agreement, Seller shall, upon the Confirmation Effective Date and continuing until the end of the Delivery Period, provide documentation (which may include, for example, WREGIS reports) sufficient to demonstrate that Product has been conveyed and delivered to Buyer.

9.2 Governing Law.

(a) Notwithstanding any provision to the contrary in the Master Agreement, the Governing Law applicable to this Agreement shall be as set forth herein. This Section 9.2 does not change the Governing Law applicable to any other confirmation or transaction entered into between the Parties under the Master Agreement.

(b) Governing Law. This agreement and the rights and duties of the parties hereunder shall be governed by and construed, enforced and performed in accordance with the laws of the state of California, without regard to principles of conflicts of law. To the extent enforceable at such time, each party waives its respective right to any jury trial with respect to any litigation arising under or in connection with this agreement.

~~1.21.1 Short-Term Product. “Short-Term Product” means (a) all RPS Energy and Green Attributes generated and associated with the non-Greengate Resources in the Short-Term Resource ~~Pool~~**Pools**, and (b) all Green Attributes associated with the Greengate Resources in the Short-Term Resource ~~Pool~~**Pools**. During the Delivery Period, Seller shall provide Buyer Product equal to the Total Allocation Amount.~~

~~1.3 — Long-Term Product. “Long-Term Product” means (a) all RPS Energy and Green Attributes generated and associated with the non-Greengate Resources in the Long-Term Resource Pool, and (b) all Green Attributes associated with the Greengate Resources in the Long-Term Resource Pool.~~

1.41.2 Buyer's Exclusive Right. Buyer has exclusive right to ~~Products~~Product for the Total Allocation Amount, including the right to account for or report ~~Products~~Product equal to the Total Allocation Amount to a Governmental Entity.

ARTICLE 2
TOTAL ALLOCATION AMOUNT

2.1 Total Allocation Amount. “Total Allocation Amount” means the sum of the Total Short-Term Allocation Amount and the Total Long-Term Allocation Amount.

2.2 Total Short-Term Allocation Amount. The “Total Short-Term Allocation Amount” is the sum of all Monthly Short-Term Allocation Amounts in the Delivery Period. For every month in the Delivery Period, the “Monthly Short-Term Allocation Amount” will be the sum of all PCIA Short-Term Allocation Amounts in the month, where a “PCIA Short-Term Allocation Amount” will be calculated for every PCIA vintage applicable to Buyer as the sum of (a) the product of (i) Short-Term A Allocation Election, multiplied by (ii) Allocation Share for the applicable PCIA vintage, multiplied by (iii) the difference between (x) total RPS Energy for that month for every Resource in the Short-Term Resource Pool with the corresponding PCIA vintage, minus (y) any applicable Third Party Sales, plus (b) the product of (i) Short-Term B Allocation Election, multiplied by (ii) Allocation Share for the applicable PCIA vintage, multiplied by (iii) the difference between (x) total RPS Energy for that month for every Resource in the Long-Term Resource Pool with the corresponding PCIA vintage, minus (y) any applicable Third Party Sales.

2.3 Total Long-Term Allocation Amount. The “Total Long-Term Allocation Amount” is the sum of all Monthly Long-Term Allocation Amounts in the Delivery Period. For every month in the Delivery Period, the “Monthly Long-Term Allocation Amount” for a month will be the sum of all PCIA Long-Term Allocation Amounts in the month, where a “PCIA Long-Term Allocation Amount” will be calculated for every PCIA vintage applicable to Buyer as the product of (i) Long-Term Allocation Election, multiplied by (ii) Allocation Share for the applicable PCIA vintage, multiplied by (iii) the difference between (x) total RPS Energy for that month for every Resource in the Long-Term Resource Pool with the corresponding PCIA vintage, minus (y) any applicable Third Party Sales.

2.4 Allocation Election. The “Short-Term A Allocation Election²,” “Short-Term B Allocation Election,” and “Long-Term Allocation Election” are the percentages specified in the table below and must be denoted in ten (10) percent increments: The sum of the Short-Term B Allocation Election and Long-Term Allocation Election must be equal to or less than one hundred percent (100%).

Product	Allocation Election
Short-Term <u>A</u>	[Buyer to fill in] %
<u>Short-Term B</u>	[Buyer to fill in] %
Long-Term	[Buyer to fill in] %

2.5 Change in Resource Pools. Seller may remove a Resource from the Resource Pools for the following reasons: (i) if Seller’s power purchase agreement corresponding to the Resource has expired or is terminated, (ii) if the Resource is no longer in Seller’s PCIA-eligible portfolio

~~for any other reason~~ due to an order or direction from a Governmental Authority or Governmental Entity, or (iii) if the Resource is owned by Seller but ceases operation for Seller. Seller may add Resources to the Resource Pools in the following ways: (a) Seller may add Resources with PCIA vintages corresponding to the PCIA vintages where Buyer has an Allocation Share, or (b) Seller may add Resources from Customer Programs listed in Appendix D. With the exception of expirations of Seller’s power purchase agreements listed in Appendix B, Appendix C, and Appendix D, Seller will provide Notice to Buyer identifying the facility or facilities that constitute the Resources being ~~removed or~~ added to the Resource Pools ~~at least three (3) Business Days prior to the delivery of RPS Energy from such facility or facilities~~ as soon as reasonably practicable. Seller shall retain the sole and absolute discretion to modify, enforce, or terminate its power purchase agreements for Resources during the Delivery Period. Buyer shall not have any right to or discretion to request changes to the Resources or the Resource Pools during the Delivery Period.

2.6 Third Party Sales. From the Confirmation Effective Date throughout the Delivery Period, Seller shall have the right to sell all or any portion of ~~Products~~Product to a third party (“Third Party Sale”). The amount of Third Party Sales will be incorporated in the calculation of the Monthly Short-Term Allocation Amount and Monthly Long-Term Allocation Amount for the applicable month in accordance with Article 2.

ARTICLE 3 **DELIVERY**

3.1 Delivery. Throughout the Delivery Period, Seller shall deliver, and Buyer shall receive, ~~the Products~~Product in accordance with the Confirmation. Seller, or a qualified third party designated by Seller, will act as Scheduling Coordinator to deliver ~~the Products~~Product in each hour to the CAISO at the Delivery Point. Buyer shall take title and risk of loss of ~~the Products~~Product at the applicable Delivery Point selected by Seller.

3.2 Delivery Point. The “Delivery Point” is and shall mean where Seller, or a qualified third party designated by Seller, shall deliver to, and Buyer shall take possession of, ~~the Products~~Product, which shall be NP 15, SP 15, and/or ZP 26, as selected by Seller, except for ~~the Products~~Product from Greengate Resources, which will be conveyed in accordance with Article 4.

3.3 Delivery Period. The “Delivery Period” shall commence on January 1, 2023 ~~for the Products~~ and last through and until (a) December 31, 2024 for deliveries of the Short-Term ~~Product~~Allocation Amount and/or (b) the Long-Term ~~Product~~End Date for deliveries of the Long-Term ~~Product~~Allocation Amount; provided that with regards to the Green Attributes portion of ~~the Products~~Product, the Delivery Period shall last through and until that date upon which the amount of Green Attributes conveyed to Buyer meets the Total Allocation Amount. The Long-Term ~~Product~~End Date will be determined by comparing the end dates of all power purchase agreements for Resources in the Long-Term Resource Pool with a PCIA vintage applicable to Buyer, and the latest end date will be the “Long-Term ~~Product~~End Date.”

ARTICLE 4 **CONVEYANCE OF GREEN ATTRIBUTES**

4.1 Green Attributes. Seller represents and warrants that Seller holds the rights to such Green Attributes from the Resources in the Resource Pools and Seller agrees to convey such Green Attributes to Buyer as included in the delivery of ~~the Products~~Product from the Resources in the Resource Pools subject to the terms and conditions of this Agreement.

4.2 Conveyance of Green Attributes. Seller shall convey to Buyer the Green Attributes associated with ~~the Products~~Product no later than twenty-five (25) Business Days once the following have occurred: (a) Seller has obtained the WREGIS Certificates for the Green Attributes for the applicable Calculation Period or calendar year and (b) Seller has received Buyer's payment of the Monthly Cash Settlement Amount in accordance with Article 5 herein. Since WREGIS Certificates will only be created for whole MWh amounts of RPS Energy generated, any fractional MWh amounts (i.e., kWh) will be carried forward until sufficient generation is accumulated for the creation of a WREGIS Certificate. During the Delivery Period, Seller shall transfer all right, title, and interest in and to the WREGIS Certificates to Buyer's WREGIS account in an aggregate amount equivalent to the Total Allocation Amount.

4.3 WREGIS Certificate True-Up. A "WREGIS Certificate True-Up" means any deficit or surplus in WREGIS Certificates delivered to Buyer for a calendar month as compared to the sum of the (a) Monthly Short-Term Allocation Amount, plus (b) the Monthly Long-Term Allocation Amount for the same calendar month ("True-Up Month"). Any adjustments to resolve a WREGIS Certificate True-Up will be made as an adjustment on Seller's monthly invoice to Buyer in accordance with Article 5, provided that no adjustments will be made for any WREGIS Certificate True-Up after twenty-four (24) months from the True-Up Month.

ARTICLE 5 **COMPENSATION**

5.1 Calculation Period. The "Calculation Period" shall be each calendar month or portion thereof that Delivery was conveyed to Buyer.

5.2 Monthly Cash Settlement Amount. Buyer shall pay Seller the Monthly Cash Settlement Amount, in arrears, for each Calculation Period.

The "Monthly Cash Settlement Amount" for a particular Calculation Period shall be equal to (a) plus (b) minus (c), where:

(a) equals the product of the (i) Index Price multiplied by (ii) the sum of (x) Monthly Short-Term Allocation Amount, plus (y) Monthly Long-Term Allocation Amount; and

5.3 Annual Cash Settlement Amount. By March 31 of each calendar year, Seller will perform a true-up process for every Monthly Cash Settlement Amount from the previous year (“Annual Cash Settlement Amount”), where Seller will recalculate every Monthly Cash Settlement Amount from the prior calendar year that used the forecasted RPS MPB to instead use the final RPS MPB in congruence with Section 5.2.

(a) If, after determination of the Annual Cash Settlement Amount, Buyer owes Seller, Seller will invoice Buyer on the next monthly invoice.

(b) If, after determination of the Annual Cash Settlement Amount, Seller owes Buyer, Seller shall credit Buyer within each future monthly invoice until the Annual Cash Settlement Amount is paid. If Seller owes Buyer and there are no remaining Calculation Periods, Seller shall pay Buyer the remaining Annual Cash Settlement Amount balance on the last monthly invoice.

ARTICLE 8

TERMINATION AND CALCULATION OF TERMINATION PAYMENT

In the event this Transaction becomes a Terminated Transaction pursuant to Section 5.2 of the Master Agreement, then the Settlement Amount with respect to this Transaction shall not be calculated in accordance with the Master Agreement, but instead shall be calculated as follows:

The Non-Defaulting Party shall determine its Gains and Losses by determining the Market Quotation Average Price for the Terminated Transaction. In the event the Non-Defaulting Party

is not able, after commercially reasonable efforts, to obtain the Market Quotation Average Price with respect to the Terminated Transaction, then the Non-Defaulting Party shall calculate its Gains and Losses for the Terminated Transaction in a commercially reasonable manner by calculating the arithmetic mean of the quotes of at least three (3) Broker or Index Quotes based on the offers to sell or bids to buy, as applicable, obtained for transactions substantially similar to the Terminated Transaction. Such Broker or Index Quotes must be obtained assuming that the Party obtaining the quote will provide sufficient credit support for the proposed transaction. In the event the Non-Defaulting Party is not able, after commercially reasonable efforts to obtain at least three (3) such Broker or Index Quotes with respect to the Terminated Transaction, then the Non-Defaulting Party shall calculate its Gains and Losses for such Terminated Transaction in a commercially reasonable manner by reference to information supplied to it by one or more third parties including, without limitation, quotations (either firm or indicative) of relevant rates, prices, yields, yield curves, volatilities, spreads or other relevant market data in the relevant markets. Third parties supplying such information may include, without limitation, dealers in the relevant markets, end-users of the relevant product, information vendors and other sources of market information; provided, however, that such third parties shall not be Affiliates of either Party. Only in the event the Non-Defaulting Party is not able, after using commercially reasonable efforts, to obtain such third-party information, then the Non-Defaulting Party shall calculate its Gains and Losses for such Terminated Transaction in a commercially reasonable manner using relevant market data it has available to it internally. If the Non-Defaulting Party's aggregate Gains exceed its aggregate Losses and Costs, if any, resulting from the termination of this Transaction, the Settlement Amount for this Transaction will be zero.

ARTICLE 9
