Advice 6630-E-A

(Pacific Gas and Electric Company ID U 39 E)

Public Utilities Commission of the State of California

Subject: Supplemental: Modification of Transportation Electrification Balancing Account (TEBA) to Add a New Subaccount (Vehicle Grid Integration “VGI” Subaccount) per Public Utilities Code Section 740.16, Enacted by Senate Bill 676

Purpose

PG&E submits this supplemental advice letter to remove the capital revenue requirement entries from the proposed new one-way Vehicle Grid Integration subaccount within the TEBA. Tariff revisions to Electric Preliminary Statement Part CZ, Distribution Revenue Adjustment Mechanism, submitted with the original advice letter remain unchanged. This supplemental advice letter partially replaces original advice letter 6630-E.

Background

On June 28, 2022, PG&E submitted Advice Letter 6630-E to create a new one-way Vehicle Grid Integration Subaccount within PG&E’s TEBA to track and record the costs of three new VGI pilots that were approved by Ordering Paragraph 7 of Resolution E-5192. In Advice 6630-E, PG&E indicated that because forecast capital amounts are expected to be minimal, PG&E is proposing to recover all expenditure as expense to simplify the revenue requirement request and forego the return on capital.

Tariff Revisions

This Tier 1 supplemental advice letter modifies the following tariff submitted in Advice Letter 6630-E.

- Sheet 12 of Electric Preliminary Statement Part HH, Transportation Electrification Balancing Account (TEBA), will be modified to remove the reference to capital in the Purpose section of the VGI Subaccount and to remove the accounting entry to record capital revenue requirements.

Protests

Pursuant to GO 96-B, General Rule 7.5.1, PG&E requests to maintain the original protest and comment period designated in Advice 6630-E and not reopen the protest period.

Effective Date

PG&E requests that this Tier 1 advice submittal become effective May 5, 2022, which is when the Commission approved Resolution E-5192.

Notice

In accordance with General Order 96-B, Section IV, a copy of this advice letter is being sent electronically to parties shown on the attached list. Address changes to the General Order 96-B service list should be directed to PG&E at email address PGETariffs@pge.com. For changes to any other service list, please contact the Commission's Process Office at (415) 703-2021 or at Process_Office@cpuc.ca.gov. Send all electronic approvals to PGETariffs@pge.com.
