PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA
ENERGY DIVISION

SUBJECT: Supplement to Advice Letters 3969-E, 4076-G/5497-E, and
5438 Implementation of Split Incentives Agreement for the San
Joaquin Valley Disadvantaged Community Pilot Projects
Pursuant to Decision 18-12-015

PURPOSE

Pursuant to California Public Utilities Commission (Commission or CPUC) Decision (D.) 18-12-015 (Decision), Southern California Edison Company (SCE) on behalf of Pacific Gas and Electric Company (PG&E), and Southern California Gas Company (SoCalGas), (collectively the Utilities) respectfully submits this Supplement to Advice Letters (ALs) 3969-E (SCE), 4076-G/5497-E (PG&E), and 5438 (SoCalGas) to implement a Split Incentives (Tenant Protection) agreement for the Utilities' San Joaquin Valley Disadvantaged Community Pilot Projects (SJV Pilots).

These changes are made in accordance with General Order (GO) 96-B, General Rule 7.5.1, which authorizes utilities to make additional changes to an advice letter through the submittal of a supplemental advice letter. This advice letter supplements in part and does not change the substance of the original Advice 3969-E.

BACKGROUND AND DISCUSSION

On March 18, 2019, the Utilities filed ALs 3969-E, 4076-G/5497-E, and 5438 in compliance with D.18-12-015, providing their Split Incentives proposal. The proposal included a “Split Incentives Affidavit” in which participating landlords, among other requirements, agree to limit annual rent increases and evictions for a five-year period unless they meet certain exceptions. In addition, the Utilities proposed that a third party Community Energy Navigator (CEN) would administer and enforce the Split Incentives Affidavit, which includes monitoring rent increases, evictions. The CEN would also be responsible for data collection and reporting activities.¹

The Utilities worked with Commission staff to develop a plan to submit the Split Incentive proposal, which included a timeline to submit the framework for the Split Incentives proposal and the Split Incentives Affidavit itself. As a result, in the ALs, the Utilities requested an additional 45 days, or by May 2, 2019, to supplement the Split Incentive Proposal ALs with the draft Affidavit and Agreement.²

SPLIT INCENTIVES AFFIDAVIT AND AGREEMENT

The attached Affidavit and Agreement was developed to strike a balance between encouraging pilot participation from landlords and protecting tenants’ rights. Therefore, as discussed previously, the Utilities’ proposed Split Incentives Affidavit and Agreement includes the provisions to be followed by participating landlords as it relates to their tenants for a five year period. The Affidavit and Agreement includes provisions that:

1. Prohibit rent increases and household-related increases (e.g., water, energy, telecommunication utility charges, waste management charges, home insurance premiums, property tax costs) as a result of home improvements provided through the SJV pilot, and
2. Limits evictions for reasons specified in the Affidavit and Agreement (e.g., unlawful occupancy, failure to pay rent, breach of occupancy agreement, illegal use of property).

The proposed Affidavit and Agreement does not supersede or replace the owner and tenant’s existing lease agreement, and is to be signed by the CEN, the landlord, and tenant. The draft Affidavit and Agreement is attached hereto in Attachment 1.

PROPOSED TARIFF CHANGES

No cost information is required for this advice letter. This advice letter will not increase any rate or charge, cause the withdrawal of service, or conflict with any other schedule or rule.

TIER DESIGNATION

Pursuant to General Order (GO) 96-B, Energy Industry Rule 5.2, OP 15(e) of the Decision, this advice letter is submitted with a Tier 2 designation.

EFFECTIVE DATE

SCE is requesting Advice 3969-E et al³ and Advice 3969-E-A et al⁴ become effective on June 1, 2019, the 30th calendar day after the submittal of this supplemental advice letter.

PROTESTS

Anyone may protest this advice letter to the Commission. The protest must state the grounds upon which it is based, including such items as financial and service impact, and should be submitted expeditiously. The protest must be made in writing and received within 20 days of the date of this advice letter, which is May 22, 2019. The address for mailing or delivering a protest to the Commission is:

Split Incentives Agreement

AFFIDAVIT AND AGREEMENT

THIS AFFIDAVIT AND AGREEMENT ("Agreement") is made and entered into this ____ day of _____, 20__ ("Effective Date"), by and between [*Name of Community Energy Navigator*] ("CEN"), [*Name of Property Owner*] ("Landlord"), and [*Name of Tenant*] ("Tenant").

RECITALS

A. Landlord is the fee simple owner of that certain real property described in Exhibit A attached hereto and incorporated herein by this reference (the "Property").

B. Pursuant to the occupancy agreement/arrangement with Landlord, Tenant currently occupies all (or a portion of) the Property (the "Lease Area") for residential purposes. The essential terms of the occupancy agreement/arrangement are summarized in Exhibit B attached hereto and incorporated herein by this reference.

C. CEN has been designated by the California Public Utilities Commission ("CPUC"), Energy Division, as the liaison between Southern California Edison Company, Pacific Gas and Electric Company, Southern California Gas Company and [TBD Third Party Pilot Administrators and Program Implementers] (collectively, the Pilot Administrators") and the pilot participants for the San Joaquin Valley Disadvantaged Community Pilot Projects (the "SJV Pilots Program"). Pursuant to the SJV Pilots Program, the CPUC has approved funding for the purpose of helping pilot participants reduce annual energy costs and improving the energy efficiency of qualifying residential properties located within the San Joaquin Valley. Notably, SJV Pilots Program funding will be utilized to facilitate appliance upgrades, weatherization improvements and other property enhancements with a goal of achieving utility bill savings for the occupants of qualifying properties.

D. The CPUC has required that program administrators of the SJV Pilots Program "to seek assurances from property owners that they will not significantly increase rents or evict tenants as a result of home improvements for at least five years following completion of the pilot appliance installations."¹

E. CEN has identified, and the Pilot Administrators have approved, the Lease Area as a qualifying property for purposes of the SJV Pilots Program. Accordingly, the Pilot Administrators, their respective contractors, subcontractors, and agents are prepared to make specific improvements to the Lease Area and/or the Property (the "Energy Improvements"). The Energy Improvements are more particularly described in Exhibit C attached hereto and incorporated herein by this reference.

F. In order to induce the Pilot Administrators and CEN to implement the Energy Improvements, Landlord has agreed to enter into this Agreement for the benefit of the Pilot

Administrators, Tenant, CEN, and their respective successors and assigns.

NOW, THEREFORE, in consideration of the foregoing recitals and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Landlord, Tenant and CEN hereby agree as follows:

1. Covenants of Landlord. Landlord expressly acknowledges and agrees that it will receive the Project Work essentially for free, except for incidental and de minimis costs in connection with the work, and that implementation of the Project Work will enhance the value of the Property and the rental value of the Lease Area. Landlord further acknowledges and agrees that a goal of the SJV Pilots Program is to achieve household energy cost savings, and that any increases in Tenant's rent or ejection of Tenant from the Lease Area (in response to the higher rental value achieved through implementation of the Project Work) would be inapposite to the SJV Pilots Program. Accordingly, in consideration of CEN's execution and performance of this Agreement and the Pilot Administrators' provision of funding for the Project Work, Landlord covenants and agrees as follows:

a. Restriction on Rent Increases as a result of home improvements in this SJV Pilots Program. Beginning on the Effective Date and continuing for a period of five (5) years following the installation/completion of the Energy Improvements ("Agreement Term"), the present rate of rent for the Lease Area (as identified in Exhibit B) shall not be raised in any twelve (12) month period by more than the average annual increase in residential rental value which is applicable to similarly-situated leasehold properties in the community in which the Property is located (the "Maximum Increase Amount"). Each year during the Restriction Period, CEN shall calculate the Maximum Increase Amount and shall advise Landlord and Tenant regarding same.

b. In addition to a limitation on rent increases detailed in section 1(a) above, Landlord shall not increase other household-related costs as a result of home improvements received in the SJV Pilots Program. For purposes of this section, household-related costs consist of water, energy and telecommunications utility charges, waste management charges, home insurance premiums or property tax costs.

c. Restriction on Evictions. During the Agreement Term, Landlord shall not evict (or seek to evict) Tenant from the Lease Area or otherwise terminate the existing occupancy agreement/arrangement between Landlord and Tenant UNLESS:

- The term of the occupancy agreement/arrangement (as identified in Exhibit B) has expired and Tenant's continuing occupancy of the Lease Area following the expiration of the term is unlawful;
- Tenant has failed to pay any installment of rent or other amount due in connection with the occupancy agreement/arrangement (as said rent and payment obligations are identified in Exhibit B), and any grace and/or cure periods in relation to untimely payments have expired;

- Tenant has committed a material breach of the occupancy agreement/arrangement and has failed to resolve (or has failed to commence the resolution of) the breach within any applicable cure periods that appear in (or are attendant to) the occupancy agreement/arrangement;
- Tenant uses the Lease Area for an illegal purpose.; or
- Owner or immediate family member re-occupies Lease Area. To the extent that the Owner or immediate family member no longer occupies the Lease Area and Landlord rents the Lease Area to any person during the Agreement Term, the Landlord must rent the Lease Area for the amount as the Tenant's last rent amount and all terms of this Agreement will continue to be enforceable.

d. Conflicts with Lease Agreement. The foregoing Sections 1.a and 1.b are not intended to supersede or replace any provisions appearing in any written lease agreement between Landlord and Tenant. Accordingly, to the extent that Section 1.a and/or Section 1.b, above, conflict with any terms or provisions appearing in any written lease agreement between Landlord and Tenant regarding rental increases and/or evictions, the terms and provisions of the written lease agreement shall govern and control. However, to the extent that the terms and provisions of Section 1.a and/or Section 1.b, above are not in conflict with the terms and provisions of any written lease agreement between Landlord and Tenant, then the terms and provisions of Section 1.a and/or Section 1.b (as appropriate) shall be deemed incorporated into the written lease agreement.

2. Notices. All notices, documents, correspondence and communications concerning this Agreement shall be addressed as set forth in this Section, or as the parties may hereafter designate by written notice, and shall be sent through the United States mail with postage prepaid. Any such mailing shall be deemed served or delivered forty-eight (48) hours after mailing. Any party hereto may change the address for notices by giving the other parties at least ten (10) calendar days' prior written notice of the new address. Notwithstanding the foregoing, any party hereto may also provide notices, documents, correspondence, or such other communications to the other parties by personal delivery or by Federal Express or similar courier service and so given shall be deemed to have been given upon receipt.

3. Pilot Administrators as Express Third-Party Beneficiaries. Landlord, Tenant and CEN expressly acknowledge and agree that, consistent with California Civil Code Section 1559, the Pilot Administrators (and each of them) are third-party beneficiaries of this Agreement (generally) and the provisions appearing in Sections 1.a and 1.b, above (specifically).

4. Other Provisions.

- a. This Agreement shall be binding on the successors, assigns and legal representatives of each of the parties hereto.
- b. This Agreement represents the entire agreement between the parties hereto regarding the subject matter herein and supersedes all prior negotiations, representations or agreements, either written or oral.
- c. The exhibits attached hereto are hereby incorporated herein by this reference for all purposes.
- d. This Agreement may be modified only by written instrument executed by each of the parties hereto.
- e. Time is of the essence of each provision of this Agreement.
- f. The failure by any party to insist upon a strict performance by the other part(y/ies) of any of the terms and provisions hereof shall not be deemed to be a waiver of any of the terms and provisions hereof.
- g. This Agreement shall be governed by and construed in accordance with the laws of the State of California.
- h. This Agreement may be executed in multiple counterparts, each of which shall be deemed an original, but all of which, together, shall constitute but one and the same instrument.
